ITEM REPORT
Board of Mayor and Aldermen
Meeting Date: June 27, 2024

Item #: 4. Second Reading - **Ordinance #2024-08** - An Ordinance to Amend Title 20, Chapter 2, Section 20-204(13) of the La Vergne Municipal Code Regarding Park Hours.

Department: Parks & Recreation

Presented By: David McGowen

Item Attachments: 1. Ordinance #2024-08

Summary:

This is an ordinance to amend the section in the municipal code regarding park hours.

Background Information:

Section 20-204(13) of the La Vergne Municipal Code currently states that park hours are as follows: "*Hours.* No person shall under any circumstances enter for the purpose of remaining therein or remain in any park between the hours of 11:00 P.M. and 6:00 A.M. without general or special permission from the department."

Most of our city parks do not have adequate lighting and due to safety concerns, the hours need to be changed so that parks are closed after dark. The proposed language gives a generic time frame of park hours from dawn until dusk, but allows for the Parks & Recreation Department to establish and post different hours for all parks, greenways or other recreation areas when it is appropriate. The revised section also gives the Parks & Recreation Department and the Police Department the authority to close a park or a portion of a park at any time in case of emergency. It also states that it shall be unlawful for any person to be in any city park without general or special permission from the department.

Since there is adequate lighting at Veterans Memorial Park, the Parks & Recreation Department will post park hours for that park. The proposed hours of operation for that park will be from Dawn until 10:00 p.m.

Financial Summary:

There is no financial impact for this amendment.

Staff Recommendation:

Staff recommends approval.

ORDINANCE #2024-08

AN ORDINANCE TO AMEND TITLE 20, CHAPTER 2, SECTION 20-204(13)
OF THE LA VERGNE MUNICIPAL CODE REGARDING PARK HOURS.

BE IT ORDAINED by the Board of Mayor and Aldermen of the City of La Vergne, Tennessee that:

SECTION I. Title 20, Chapter 2, Section 20-204(13) of the La Vergne Municipal Code is hereby amended to read as follows:

- (13) *Park hours.* In general, park hours shall be from dawn until dusk for all city parks. The department may establish and post different hours for all parks, greenways or other recreation areas, when and where it is deemed appropriate. The department or the La Vergne Police Department shall have full authority to close any park or part of any park at any time in case of emergency or where circumstances require it in order to protect the public and / or park facilities. It shall be unlawful for any person to be in any city park outside of park hours without general or special permission from the department.

SECTION II. Each section, subsection, paragraph, sentence and clause of this ordinance is hereby declared to be separable and severable. The validity of any section, subsection, paragraph, sentence or clause shall not be effected by the invalidity of any other portion of this ordinance, and only any portion declared to be invalid by a court of competent jurisdiction shall be deleted herefrom.

SECTION III. This Ordinance shall take effect upon publication after its final passage in a newspaper of general circulation, the public welfare requiring it.

Meeting Date: June 27, 2024

Item #: 5. Second Reading - **Ordinance #2024-09** - An Ordinance to Amend the La Vergne Municipal Code by Deleting Title 2, Chapter 3 - Senior Citizens Advisory Committee.

Department: Parks & Recreation

Presented By: David McGowen

Item Attachments: 1. Ordinance #2024-09

Summary:

This is an Ordinance to amend the La Vergne Municipal Code that pertains to the Senior Citizens Advisory Committee.

Background Information:

This Ordinance will disband the current Senior Citizens Advisory Committee. With FiftyForward taking over the management of the Senior Center, the Senior Citizens Advisory Committee is no longer needed. FiftyForward will establish their own committee.

Financial Summary:

There is no financial impact.

Staff Recommendation:

Staff recommends approval.

ORDINANCE #2024-09

AN ORDINANCE TO AMEND THE LA VERGNE MUNICIPAL CODE BY DELETING TITLE 2, CHAPTER 3 - SENIOR CITIZENS ADVISORY COMMITTEE.

BE IT ORDAINED by the Board of Mayor and Aldermen of the City of La Vergne, Tennessee that:

SECTION I. Title 2, Chapter 3 of the La Vergne Municipal Code entitled "Senior Citizens Advisory Committee" be deleted in its entirety.

SECTION II. Each section, subsection, paragraph, sentence and clause of this ordinance is hereby declared to be separable and severable. The validity of any section, subsection, paragraph, sentence or clause shall not be effected by the invalidity of any other portion of this ordinance, and only any portion declared to be invalid by a court of competent jurisdiction shall be deleted herefrom.

SECTION III. That this Ordinance take effect forthwith upon its final passage, the public welfare requiring it.

ITEM REPORT
Board of Mayor and Aldermen
Meeting Date: June 27, 2024

Item #: 6. Second Reading - **Ordinance #2024-10** - An Ordinance to Amend Title 18, Chapter 4, Section 18-406 of the La Vergne Municipal Code Regarding Service Connect Fees.

Department: Water Billing

Presented By: Kyle Brown

Item Attachments: 1. Ordinance #2024-10

Summary:

This is an ordinance to amend the section in the Municipal Code regarding service connect fees and more particularly, reconnect fees.

Background Information:

The second paragraph of Section 18-406 currently reads as follows: "In the event service is disconnected for nonpayment of a re-connect fee, as set forth in the fee schedule adopted with the annual budget will be required for reconnection. Requests for reconnection made after 10:00 P.M. will not be considered until after 8:00 A.M. the next business day."

The proposed language is as follows: "In the event service is disconnected for nonpayment, a reconnect fee, as set forth in the fee schedule, will be required for reconnection. Requests for reconnection made after the time specified in the fee schedule will not be considered until after 8:00 A.M. the next business day."

We have previously established two types of reconnect fees. One is during regular business hours and the other is after business hours. In the municipal code, the cutoff time for after-hours reconnections was 10:00 p.m., but in practice the cutoff time for reconnects has been 8:00 p.m. for many years. This amendment removes the specific time from the municipal code and places it in the fee schedule. The proposed time in the fee schedule is 8:00 p.m.

In the original language, there was also a mistake with how it was worded. This paragraph

establishes the reconnect fee - not the nonpayment of a reconnect fee, so the revised language fixes that error.

Financial Summary:

There is no financial impact with this amendment.

Staff Recommendation:

Staff recommends approval.

ORDINANCE #2024-10

AN ORDINANCE TO AMEND TITLE 18, CHAPTER 4, SECTION 18-406 OF THE LA VERGNE MUNICIPAL CODE REGARDING SERVICE CONNECT FEES.

BE IT ORDAINED by the Board of Mayor and Aldermen of the City of La Vergne, Tennessee that:

SECTION I. Title 18, Chapter 4, Section 18-406 of the La Vergne Municipal Code is hereby amended to read as follows:

Sec. 18-406. Service connect fee.

A non-refundable service connect fee shall be paid by each customer to initiate water service. A residential customer who initiates a new connection shall pay a non-refundable service connect fee as set forth in the fee schedule. All subsequent residential customers at the same location shall pay a non-refundable service connect fee as set forth in the fee schedule. A commercial or industrial customer who initiates a new connection shall pay a non-refundable service connect fee as set forth in the fee schedule. All subsequent commercial or industrial customers at the same location shall pay a non-refundable service connect fee as set forth in the fee schedule.

In the event service is disconnected for nonpayment, a reconnect fee, as set forth in the fee schedule, will be required for reconnection. Requests for reconnection made after the time specified in the fee schedule will not be considered until after 8:00 A.M. the next business day.

SECTION II. Each section, subsection, paragraph, sentence and clause of this ordinance is hereby declared to be separable and severable. The validity of any section, subsection, paragraph, sentence or clause shall not be effected by the invalidity of any other portion of this ordinance, and only any portion declared to be invalid by a court of competent jurisdiction shall be deleted herefrom.

SECTION III. This Ordinance shall take effect upon publication after its final passage in a newspaper of general circulation, the public welfare requiring it.

ITEM REPORT
Board of Mayor and Aldermen
Meeting Date: June 27, 2024

Item #: 8.A.1. OMNIA Partners Contract Purchase - Resurface Lake Forest Playground.

Department: Parks & Recreation

Presented By: David McGowen

Item Attachments: 1. Lake Forest Park Surfacing

Summary:

This item is to update the surfacing at the Lake Forest Playground.

Background Information:

This is a proposal from Great Southern Recreation to update the playground surface areas at the Lake Forest Playground. The existing surface is a poured in place rubber which is in need of repairs. The proposal is for removal of the existing surfacing - pouring a concrete border around the area and adding engineered wood fiber mulch to the play areas. The proposal is under the Omnia Purchasing Contract: R220203.

Financial Summary:

The cost for the renovations is \$67,334.35. This is a budget item and will be paid out of the current parks budget.

Staff Recommendation:

Staff recommends approval.

Board of Mayor and Aldermen
Meeting Date: June 27, 2024

Item #: 8.A.2. OMNIA Partners Contract Purchase - Mankin Park Rehabilitation.

Department: Parks & Recreation

Presented By: David McGowen

Item Attachments: 1. Mankin Park

Summary:

Updates to Mankin Park

Background Information:

This is a proposal to do a total rehab of Mankin Park. The proposal includes the demo and disposal of the existing structures, installation of a 2-5 years old custom playground structure, a 5-12 years old custom playground structure, new swing bays and swings, new border and engineered wood fiber surfacing. The proposal is under the Omnia Purchasing Contract:R220203.

Financial Summary:

The cost for the renovations is \$121,718.35. This is a budget item and will be paid out of the Parks Capital Projects Fund.

Staff Recommendation:

Staff recommends approval.

ITEM REPORT
Board of Mayor and Aldermen
Meeting Date: June 27, 2024

Item #: 8.B. Approve Amendment #1 to the Grant Contract with the State of Tennessee Department of Commerce and Insurance for the Tennessee Law Enforcement Hiring, Training and Recruitment Program.

Department: Police

Presented By: Christopher Moews

Item Attachments: 1. Amendment #1 - TN Dept of Commerce and Insurance

Summary:

This is an amendment to the grant contract with the State for the Tennessee Law Enforcement Hiring, Training and Recruitment program.

Background Information:

The State of Tennessee Department of Commerce and Insurance has requested an amendment to section C.13. of the grant contract. The change is in regards to the process of payments being made from the State to the City. It is a very minor change.

Financial Summary:

There is no fiscal impact to the City for this amendment.

Staff Recommendation:

Staff recommends approval.

**AMENDMENT 1
OF GRANT CONTRACT 77833-150**

This Grant Contract Amendment is made and entered by and between the State of Tennessee, Department of Commerce and Insurance, hereinafter referred to as the "State" and City of La Vergne, hereinafter referred to as the "Grantee." It is mutually understood and agreed by and between said, undersigned contracting parties that the subject Grant Contract is hereby amended as follows:

1. The following is added to Grant Contract Section C:

C.13. Payment for Performance. The Grantee may submit the Cost Sharing Grant Invoice (Attachment B), and all supporting documentation required by the state covering training for officers hired after May 1, 2023, and before the execution of the Contract.

Required Approvals. The State is not bound by this Amendment until it is signed by the contract parties and approved by appropriate officials in accordance with applicable Tennessee laws and regulations (depending upon the specifics of this contract, said officials may include, but are not limited to, the Commissioner of Finance and Administration, the Commissioner of Human Resources, and the Comptroller of the Treasury).

Amendment Effective Date. The revisions set forth herein shall be effective once all required approvals are obtained. All other terms and conditions of this Grant Contract not expressly amended herein shall remain in full force and effect.

IN WITNESS WHEREOF,

Meeting Date: June 27, 2024

Item #: 8.C. Approve Change Order #3 with Baron Construction, LLC for the Public Works and Community Development Services Facility.

Department: Engineering

Presented By: Gary Lide

Item Attachments: 1. Change Order #3

Summary:

This is a change order for the construction of the Public Works and Community Development Services Facility.

Background Information:

There are several items in this change order for the construction of this project which are represented by Contractor Requests for Change (RFCs) 28, 29, 30, 31, 32, 34, 35, and 38. They are outlined in the following pages.

Financial Summary:

The total cost of these changes will cost \$83,861.04. This is still within the overall project budget as shown in the following table:

Item	Budget	Remaining
Baron Contract	\$28,395,425.60	\$14,887,870.80
Baron Potential Mod Outstanding	\$83,861.04	\$83,861.04
Lambe + Associates	\$161,115.50	\$52,933.97
TTL, Inc. (Structural)	\$160,000.00	\$43,946.43
Furniture	\$400,000.00	\$400,000.00

Low Voltage	\$200,000.00	\$200,000.00
Contingency	\$2,969,597.86	\$2,969,597.83
Total	\$31,370,000.00	\$18,637,377.10
	Percent Spent	40.59%
	Percent Remaining	59.41%

Schedule Summary:

The original contract completion date for this contract was July 20, 2024. Nineteen calendar days of delay are being awarded with this modification which makes the revised contract completion date to be August 8, 2024.

It should be noted that additional delay days are being negotiated with Baron for soils issues and weather delays. Those days will be brought forward in a future change order request once negotiations are complete.

Staff Recommendation:

Staff recommends approval.

Request for Changes (RFCs) from Baron Construction for 02 July 2024

RFC #	Description	Value (\$)	Value (Days)
28	Credit for Removal of Lift Installation	(\$4,100.00)	
29	Footer Undercut & Backfill. Undercut and backfill with approved fill at direction of TTL Technician on site, per TTL reports and CEC email recommendation. Original unit pricing was based on minimum 1' undercut and backfill. Actual quantity removed and backfilled varies, TBC, estimated as of 3/28/24 per attached	\$92,743.81	19
30	Credit for reduced pricing for Oil interceptor based on Mi-Fab model compared to the originally specified Zurn model as approved in change order RFC 18	(\$14,301.00)	
31	Credit for reduced fixture count in B117	(\$2,361.00)	
32	Credit for Girder Bars	(\$3,378.86)	
34	Overhead Door Circuits added per Electrical Revisions ESD #5 received via email from Tyler Ball on 04/03/24, in response to RFI 61. Further revised to delete items that are already part of the overhead door package supplied per email from Tyler Ball on 4/30/24	\$19,981.00	
35	Footing modification at Stair 3 for CMU walls per Engineers instruction. Two story CMU walls that support the landing, requiring thickened slab detail modification at these CMU walls	\$1,620.09	
38	Credit for TTL Reinspection Costs per Contracts Letter C-003 received via email from Gary Lide. Attached summary marked up to remove items not agreed to by Baron Construction	(\$6,343.00)	
		\$83,861.04	19

Credit for installation of vehicle lifts that have been removed from the contract. These were Owner Supplied, Contractor Installed so the credit is for the installation cost. Lifts removed per attached markups of A102 and A103 from Owner and Architect

4/10/2024

COST CATEGORY / ITEM	UNIT PRICE	QUANTITY	TOTALS	NOTES
Delete Vehicle Lifts				
Credit for 4-Post Lift Installation	\$ (1,200.00)	2.00	\$ (2,400.00)	Credit for the install of 4-post lifts removed from scope per attached markup
Credit for 2-Post Lift Installation	\$ (850.00)	2.00	\$ (1,700.00)	Credit for the install of 2-post lifts removed from scope per attached markup
SUBTOTAL			\$ (4,100.00)	

NEW WORK PLAN KEYED NOTES

1. INSTALL NEW 4" MIN. REIN. CONC. LANDING (60% 42" SLOPED 1/4" FOOT MIN. AWAY FROM BLDG.)
2. PAINT ALL HANDRAILS AND/OR GUARDRAILS UNLESS NOTED OTHERWISE (FRONT, REAR, TOP AND BOTTOM)
3. PAINT ALL EXPOSED STRUCTURE UNLESS OTHERWISE NOTED
4. INSTALL EXISTING EQUIPMENT (RELOCATED FROM CURRENT PW FACILITY)
5. INSTALL NEW EQUIPMENT (OWNER PURCHASED/CONTRACTOR INSTALLED)

ARCHITECTURAL GENERAL NOTES

1. PERFORM WORK AS REQUIRED FOR PROPER COMPLETION OF THE PROJECT. DO NOT SCALE DRAWINGS OR INFORMATION REQUIRED BY THE CONTRACTOR SHALL BE FURNISHED BY THE ARCHITECT. UPON REQUEST, CONTRACTOR SHALL SUBMIT ALL REQUESTS FOR CLARIFICATIONS BY WRITING TO THE ARCHITECT.
2. THE CONTRACTOR IS REQUIRED TO VISIT THE SITE AND BECOME FAMILIAR WITH EXISTING CONDITIONS AT THE SITE PRIOR TO SUBMITTING A BID. THE CONTRACTOR SHALL NOT RECEIVE ADDITIONAL PAYMENT FOR REQUIREMENTS THAT CAN BE INFERRED THROUGH OBSERVATION OF EXISTING SITE CONDITIONS. IF THERE IS A CONFLICT BETWEEN THE DRAWINGS AND EXISTING CONDITIONS, THE ARCHITECT SHALL BE NOTIFIED IMMEDIATELY BEFORE PROCEEDING WITH THE WORK.
3. CONSULT WITH THE OWNER FOR EQUIPMENT AND ITEMS NOT SHOWN ON THE DRAWINGS BUT TO BE FURNISHED BY THE OWNER AND INSTALLED BY THE CONTRACTOR UNDER THIS CONTRACT.
4. ALL INTERIOR DIMENSIONS ARE FROM FINISHED FACE OF GYP. BD. TO FINISHED FACE OF GYP. BD. (OR FINISH INDICATED) UNLESS NOTED OR DIMENSIONED OTHERWISE. REFER TO ENLARGED PLANS FOR CHASE WALL DIMENSIONS. HOLD ALL GYPSUM BOARD INSTALLATIONS 1/2" FROM TOP OF FINISHED FLOOR (TYP).
5. PROVIDE DOUBLE STUDS AND BLOCKING AS REQUIRED TO SUPPORT EQUIPMENT, CASEWORK, GRAB BARS, HANDRAILS, ETC.
6. DOORS ARE TO BE INSTALLED WITH JAMBS 6" FROM INSIDE FACE OF PERPENDICULAR FINISHED WALL UNLESS DIMENSIONED OTHERWISE.
7. ALL INTERIOR FIRE-RATED PARTITIONS SHALL EXTEND ABOVE THE FINISHED CEILING AND SHALL TERMINATE AT ASSEMBLIES OF GREATER RATING OR THE BOTTOM OF THE ROOF OR FLOOR DECK. NON-FIRE-RATED PARTITIONS SHALL NOT PENETRATE RATED PARTITIONS. AT FIRE-RATED AREAS, THE CEILING OR ROOF SYSTEM SHALL BE RATED TO PROVIDE A FIRE-RATED OCCUPIED ENVELOPE.
8. ELECTRICAL PANELS, FIRE EXTINGUISHER CABINETS, AND OTHER RECESSED WALL EQUIPMENT OVER 16 SQUARE INCHES ARE TO BE WRAPPED IN GYPSUM BOARD TO MAINTAIN WALL RATINGS WHERE SHOWN.
9. GYPSUM BOARD ABUTTING OTHER MATERIALS OR FINISHES IS TO BE FINISHED WITH METAL EDGES, PROVIDE PRESSURE TREATED WOOD AT ALL CONDITIONS ABUTTING CONCRETE IN NON-TAMPED SPACES, AND/OR AT BUILDING EXTERIOR.
10. GYPSUM BOARD AT STUD PURSUITS IN AREAS WITH FINISHED CEILINGS SHOULD EXTEND 6" MIN. ABOVE FINISHED CEILING, AND BE BRACED WITH DIAGONAL MEMBERS SECURED TO STRUCTURE AT 8'-0" O.C. FOR ALL WALLS OR PARTITIONS IN EXCESS OF 12'-0".
11. SEE SHEET A700 FOR DOOR AND WINDOW SCHEDULES.
12. PROVIDE TACTILE EXIT SIGNS CENTERED 60 INCHES ABOVE FINISHED FLOOR ON WALL NEXT TO LATCH SIDE STATING "EXIT" COMPLYING WITH ICC A117.1 AND MCAC, AT EACH DOOR TO AN EGRESS STAIRWAY, AN EXIT PASSAGEWAY AND EXIT DISCHARGE.

REQUEST FOR CHANGE

Date: 23 February 2024

Proposal Request #: RFC-27

Project: City of LaVergne Public Works and Community Services Facility

L+A Project #: 2110

The Owner and Architect request an itemized proposal for changes to the Contract Sum and Contract Time for proposed modifications to the Contract Documents described herein. The Contractor shall submit this proposal within fourteen (14) days or notify the Architect in writing of the anticipated date of submission.

Description of Proposed Modifications to the Contract Documents:

Specification Section: N/A

Drawing Number(s): A102

Description: Delete Vehicle Lifts

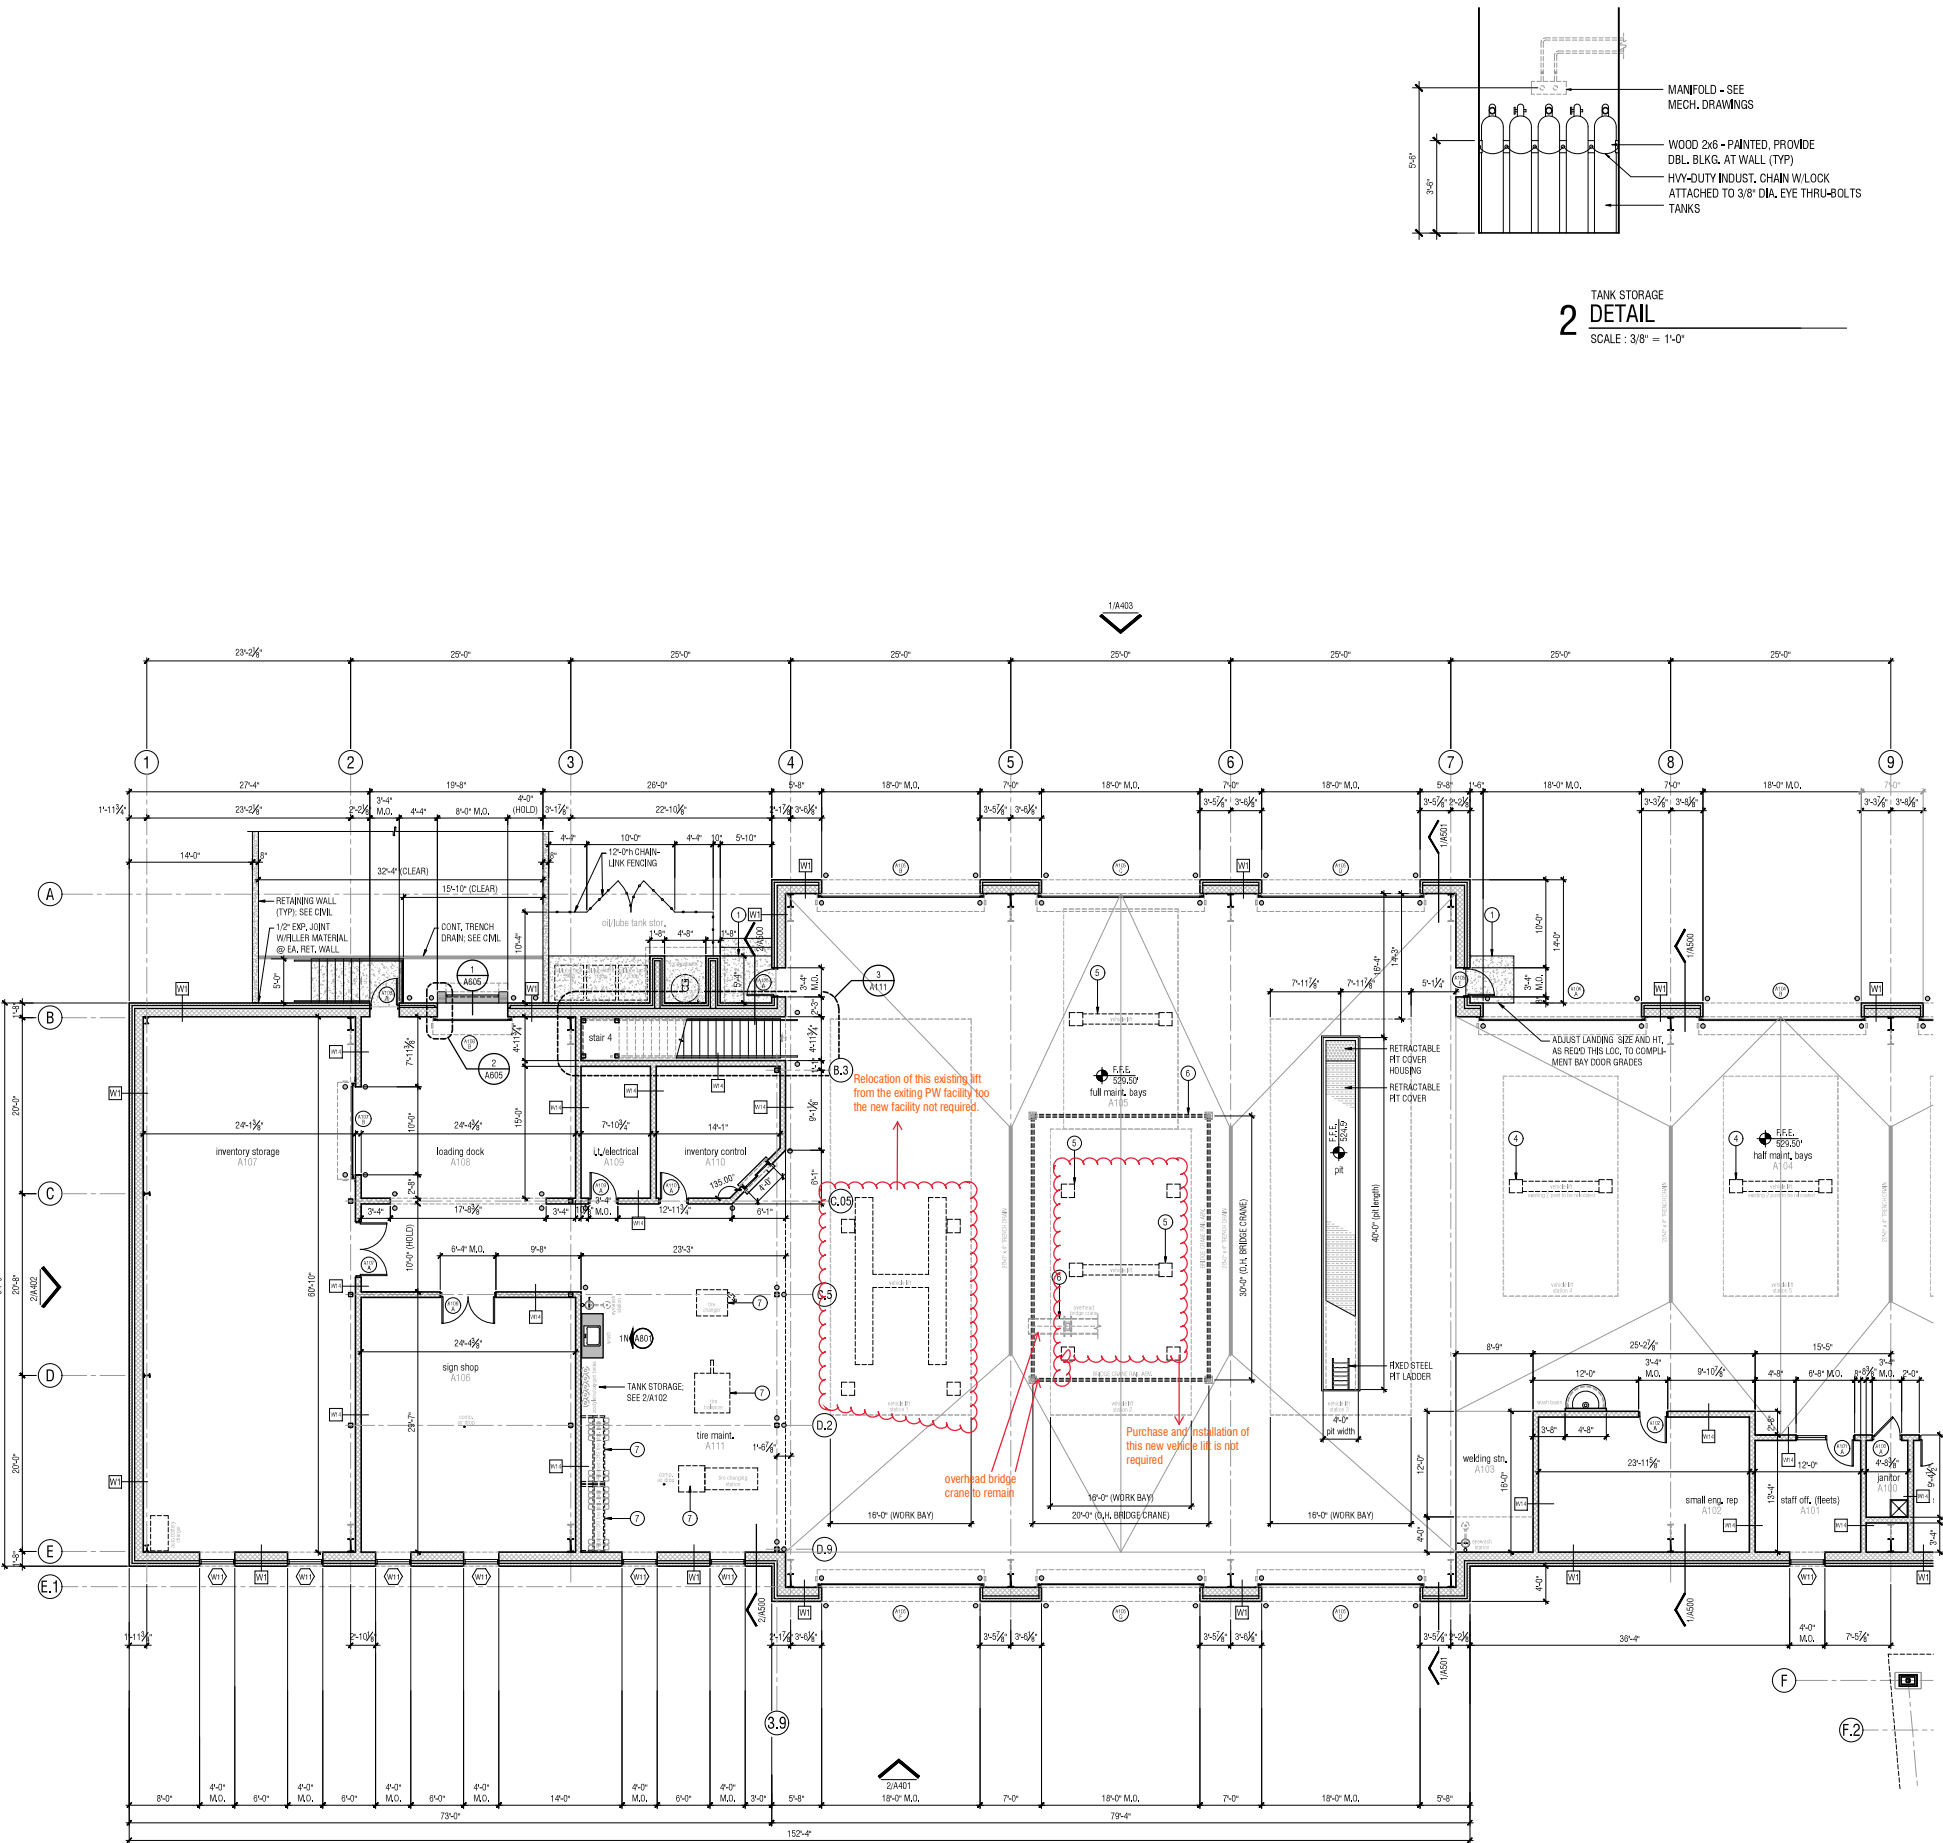

DELETE: Please provide a credit to delete the labor and all associated costs to relocate the existing lift from the existing PW facility to the new facility as shown on the attached drawing (*sheet A102*), and the labor, equipment, and associated costs to furnish and install the new vehicle lift as shown on the attached drawing (*sheet A102*).

NOTE: Electrical and/or other utilities feeding these lift locations shall remain as specified under the Contract Document

End of Proposal Request

THIS IS NOT A CHANGE ORDER, A CONSTRUCTION CHANGE DIRECTIVE, OR A DIRECTION TO PROCEED WITH THE WORK DESCRIBED IN THE PROPOSED MODIFICATIONS.

ARCHITECTURAL GENERAL NOTES

- PERFORM WORK AS REQUIRED FOR PROPER COMPLETION OF THE PROJECT. DO NOT SCALE DRAWINGS - ANY CLARIFICATIONS OR INFORMATION REQUIRED BY THE CONTRACTOR SHALL BE FURNISHED BY THE ARCHITECT UPON REQUEST. CONTRACTOR SHALL SUBMIT ALL REQUESTS FOR CLARIFICATIONS IN WRITING TO THE ARCHITECT.
- THE CONTRACTOR IS REQUIRED TO VISIT THE SITE AND BECOME FAMILIAR WITH EXISTING CONDITIONS AT THE SITE PRIOR TO SUBMITTING A BID. THE CONTRACTOR SHALL NOT REUSE ADDITIONAL PAYMENT FOR REQUIREMENTS THAT CAN BE INFERRED THROUGH OBSERVATION OF EXISTING SITE CONDITIONS. IF THERE IS A CONFLICT BETWEEN THE DRAWINGS AND EXISTING CONDITIONS, THE ARCHITECT SHALL BE NOTIFIED IMMEDIATELY BEFORE PROCEEDING WITH THE WORK.
- CONSULT WITH THE OWNER FOR EQUIPMENT AND ITEMS NOT SHOWN ON THE DRAWINGS BUT TO BE FURNISHED BY THE OWNER AND INSTALLED BY THE CONTRACTOR UNDER THIS CONTRACT.
- ALL INTERIOR DIMENSIONS ARE FROM FINISHED FACE OF GYP. BD. TO FINISHED FACE OF GYP. BD. (OR FINISH INDICATED) UNLESS NOTED OR DIMENSIONED OTHERWISE. REFER TO ENLARGED PLANS FOR CHASE WALL DIMENSIONS. HOLD ALL GYPSUM BOARD INSTALLATIONS 1/2" FROM TOP OF FINISHED FLOOR (TYP).
- PROVIDE DOUBLE STUDS AND BLOCKING AS REQUIRED TO SUPPORT EQUIPMENT, CASEWORK, GRAB BARS, HANDRAILS, ETC.
- DOORS ARE TO BE INSTALLED WITH JAMBS 6" FROM INSIDE FACE OF PERPENDICULAR FINISHED WALL UNLESS DIMENSIONED OTHERWISE.
- ALL INTERIOR FIRE-RATED PARTITIONS SHALL EXTEND ABOVE THE FINISHED CEILING AND SHALL TERMINATE AT ASSEMBLES OF GREATER RATING OR THE BOTTOM OF THE ROOF OR FLOOR DECK. NON-FIRE-RATED PARTITIONS SHALL NOT PENETRATE RATED PARTITIONS. AT FIRE-RATED AREAS, THE CEILING OR ROOF SYSTEM SHALL BE RATED TO PROVIDE A FIRE-RATED OCCUPIED ENVELOPE.
- ELECTRICAL PANELS, FIRE EXTINGUISHER CABINETS, AND OTHER RECESSED WALL EQUIPMENT OVER 16 SQUARE INCHES ARE TO BE WRAPPED IN GYPSUM BOARD TO MAINTAIN WALL RATINGS WHERE SHOWN.
- GYPSUM BOARD ABUTTING OTHER MATERIALS OR FINISHES IS TO BE FINISHED WITH METAL EDGES, PROVIDE PRESSURE TREATED WOOD AT ALL CONDITIONS ABUTTING CONCRETE, IN NON-TEMPERED SPACES, AND/OR AT BUILDING EXTERIOR.
- GYPSUM BOARD AT STUD PURCHOTS IN AREAS WITH FINISHED CEILINGS SHOULD EXTEND 6" MIN. ABOVE FINISHED CEILING, AND BE BRACED WITH DIAGONAL MEMBERS SECURED TO STRUCTURE AT 8'-0" O.C. FOR ALL WALLS OR PARTITIONS IN EXCESS OF 12'-0".
- SEE SHEET A700 FOR DOOR AND WINDOW SCHEDULES.
- PROVIDE TACTILE EXIT SIGNS CENTERED 60 INCHES ABOVE FINISHED FLOOR ON WALL NEXT TO LATCH SIDE STATING "EXIT" COMPLYING WITH ICC A117.1 AND NOAC. AT EACH DOOR TO AN EGRESS STAIRWAY, AN EXIT PASSAGEWAY AND EXIT DISCHARGE.

FINISH LEGEND

LVT = LUXURY VINYL TILE (RVP)
SC = SEALED CONCRETE
RB = RUBBER BASE
CT = CERAMIC TILE
VCT = VINYL COMPOSITION TILE
GB = GYPSUM BOARD
CONC = CONCRETE (BRUSH FINISH)
MS = MANUFACTURERS STANDARD FIN.
SOT = STATIC DISSIPATIVE TILE
MR = MOISTURE RESISTANT

- ACT = ACOUSTIC CEILING TILE
MPS = METAL PANEL SOFFIT
PT = PAINT
EF = EPOXY FLOOR
DPT = CARPET TILE
EXP = EXPOSED
WP = WOOD WALL PANELS
EPXY = EPOXY PAINT
DS = 1/2" CEMENT BOARD
PL = PORCELAIN TILE
STC = STAINED CONCRETE
ACM = ALUM. COMPOSITE PANEL
1. GENERAL CONTRACTOR TO COORDINATE ALL FINISHES WITH OWNER
2. ALL FURNITURE AND EQUIPMENT TO BE OWNER FURNISHED AND INSTALLED BY THE CONTRACTOR (O/E) UNDER THE BASE BID EXCEPT BUILT-INS (SHOWN SHADED ON THE PLANS).
GENERAL FINISHES NOTE: ALL INTERIOR FINISHES SHALL COMPLY WITH LSC AND BOC FOR GROUP B USE AND S-2 USE IN SPRINKLERED BUILDINGS AS FOLLOWS:
B USE INTERIOR EXIT STAIRWAYS, INTERIOR EXIT RAMPS, AND EXIT PASSAGEWAYS = CLASS "B". CORRIDORS AND ENCLOSURES FOR EXIT ACCESS STAIRWAYS AND EXIT ACCESS RAMPS = CLASS "C". ROOMS AND ENCLOSED SPACES = CLASS "C".
S USE INTERIOR EXIT STAIRWAYS, INTERIOR EXIT RAMPS, AND EXIT PASSAGEWAYS = CLASS "C". CORRIDORS AND ENCLOSURES FOR EXIT ACCESS STAIRWAYS AND EXIT ACCESS RAMPS = CLASS "C". ROOMS AND ENCLOSED SPACES = CLASS "C".

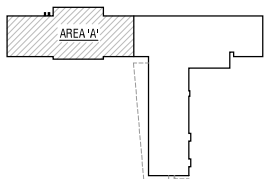

NEW WORK PLAN KEYED NOTES

- INSTALL NEW 4" MIN. REIN. CONC. LANDING (8'-0" x 7'-2") SLOPED 1/4" FOOT MIN. AWAY FROM BLDG. ENLARGE AS REQ'D TO TIE INTO EXIST. WALKS WHERE APPLICABLE
- PAIN ALL HANDRAILS AND/OR GUARDRAILS UNLESS NOTED OTHERWISE (FRONT, REAR, TOP, AND BOTTOM)
- PAIN ALL EXPOSED STRUCTURE UNLESS OTHERWISE NOTED
- INSTALL VEHICLE LIFT (EXISTING RELOCATED FROM CURRENT PW FACILITY)
- INSTALL VEHICLE LIFT (NEW, OWNER PURCHASED/CONTRACTOR INSTALLED)
- INSTALL BRIDGE CRANE AS SPEC'D
- INSTALL NEW EQUIPMENT (OWNER PURCHASED/CONTRACTOR INSTALLED)

GENERAL FRAMING AND GYPSUM BOARD NOTES:

REFER TO STRUCTURAL DRAWINGS FOR GENERAL FRAMING MEMBER SIZES.
NOTE: 18 AND 20 GA. STUDS SIZES @ 18" O.C. ARE AS FOLLOWS:
PARTITIONS UNDER 20'-0" A.F.F. MAY BE 3'-0" WIDE EXCEPT WHERE NOTED ON PLANS. PARTITIONS OVER 20'-0" A.F.F. TO BE 6" WIDE BASED ON USG HANDBOOK. INTERIOR FRAMING LIMITING HEIGHTS, PAGE 77. PROVIDE ALTERNATE GA. METAL STUDS WHERE SHOWN ON DRAWINGS.
GYPSUM BOARD FINISHES SHALL BE PER SPECIFICATIONS AND AS SPECIFIED IN PUBLICATION GA-214-07 "RECOMMENDED LEVELS OF GYPSUM BOARD FINISHES"

RFC 29

2305 La Vergne Public Works & CDSF
La Vergne, TN

RFC 29

Footer Undercut & Backfill in Area B, and additional in Area A (over previously submitted RFC 15 quantities). Undercut and backfill with approved fill under supervision of TTL Technician on site, per TTL reports and CEC email recommendation/directive. This includes the eastern end of Area B where modified detail E-16 was used with additional concrete thickness below bottom of footer elevation

5/31/2024

6/14/2024 rev2 removing "TBD" notes

COST CATEGORY/ITEM	UNIT PRICE	QUANTITY	TOTALS	NOTES
Area A and B Footer Undercut/Backfill				
Area A Footers Additional Undercut (Additional to RFC 15)	\$ 80.00	143.00	\$ 11,440.00	Quantity based on average 2' and 3' additional depth undercut per attached summary and markup
Backfill with No 10 and No 2 Compactable Fill	\$ 24.50	143.00	\$ 3,503.50	Quantity based on average 2' and 3' additional depth undercut per attached summary and markup
Area B Footers Undercut	\$ 80.00	515.00	\$ 41,200.00	Quantity based on undercut depths per attached summary and markup
Backfill with No 10 and No 2 Compactable Fill	\$ 24.50	450.00	\$ 11,025.00	Backfill with compactable fill quantities per attached summary and mark up. NOTE - does not include the additional concrete shown in CEC provided detail
Area B additional 2' concrete thickness below bottom of footer	\$ 165.40	65.00	\$ 10,751.00	2' additional thickness below bottom of footer, per CEC provided detail and instruction
Area B additional concrete quantity due to larger holes	\$ 165.40	22.00	\$ 3,638.80	where footer holes grew due to spring / unsuitables / rock so footer concrete area increased
			\$ -	
T+M for suspended rebar cage - labor	\$ 2,158.20	1.00	\$ 2,158.20	additional labor to set rebar cage in footer above the 2' additional thickness per CEC detail at footers as noted on attached summary
T+M for suspended rebar cage - equipment	\$ 412.50	1.00	\$ 412.50	equipment to set rebar cage in footer above the 2' additional thickness per CEC detail at footers as noted on attached summary
Additional Time to Contract for this scope	\$ -	19.00	\$ -	19 days working on these items as noted in attached summary
SUBTOTAL			\$ 84,129.00	

Subtotal \$ 84,129.00
Indirect \$ 3,365.16 4%
Fee \$ 5,249.65 6%
TOTAL \$ 92,743.81

Confirmed. Based on what we are dealing with, this will be a "ground Improvement" tactic. The stress bulb created uses Bousinesq theory to dissipate the load. Tyler is familiar and this is the plan if the firm ground is not "visually" identified. This will need some judgement applied by Tyler and us to help get them out of this mire.

Mike:

Please confirm that the contractor does not need find *in-situ* firm bearing material, but they can create suitable bearing by pounding rock into the bottom of the excavations with a hoe-pack.

Thanx,

-Gary

Caution: This email originated from outside the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

I did speak to Tyler. He said the can test spoils from the back-hoe, or grab material from a hand auger extension. It appears that the contractor is not able to control dewatering with the equipment they have on-site and so the issue is more one of lack of visual confirmation rather than poor soil.

The detail we provided should be the option to move forward with for the exterior foundations based on our understanding of the site condition. Tyler can work with me or Emily directly if his personnel encounter bearing soils below design at the base of the excavation. The basic plan is to place the stone and pound it with a hoe-pack at the base of the excavation to achieve suitable bearing. This can be brought up in lifts to the base of the concrete.

They can call my mobile or Emily's directly. Please give us some lead time to know when the excavations will be occurring.

Gary:

Emily is out on a drilling project. I thought I would send a note here to get this conversation back to the front.

Based on what we discussed, this appears that the contractor should have pumps on-site that can keep up with water flowing into these excavations. If this is NOT the case, then is this means and methods or yours to solve?

TTL stated that they were reaching decent bearing at the base, if they cannot visually see the base, can they test spoils from the back-hoe, or grab material from a hand auger extension?

The method we are using absorbs some of the bearing pressure into the gravel, thus reducing the bearing at the base of the excavation. There are other alterations we can discuss.

I recommend Tyler reach out to me in the morning to discuss the situation so I understand the nuances better, and we can determine a few strategies moving forward.

Subject: Re: La Vergne Public Works Facility: Footing E-16 Sketch

Emily and Mike:

I have now had the opportunity to look more closely at the E-16 sketch and found that it is fundamentally changed from what we discussed and does not meet our needs.

The most important issue that we must overcome is that **THERE IS NO 'FIRM SUITABLE BEARING SURFACE' AT THE BOTTOM OF THESE HOLES.** Reaching such a surface would require digging well beyond the depth accessible by a normal backhoe or trackhoe.

We need a solution that accounts for the above fact.

If you mean something different by 'firm suitable bearing surface' than how a reasonable person would define that phrase, then please provide a definition so that Baron knows what they are looking for. We discussed dealing with the soils that we have in the bottom of the hole and then not doing blow counts until some amount of stone had been placed therein.

We need the following:

1. A requirement where they dig to a max depth UNLESS they find a firm, suitable bearing surface.
2. A note regarding at what depth of gravel the blow counts will be taken and what will be acceptable in terms of blow counts (or other means of testing).

Please let me know if you want to convene another meeting to discuss.

Subject: La Vergne Public Works Facility: Footing E-16 Sketch

Caution: This email originated from outside the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Good afternoon Gary,

As discussed on our call this morning, we have prepared a sketch depicting our recommendation for how to approach the concerns identified in Footing E-16 related to a subsurface seep. Please note that this sketch only applies to Footing E-16 and we may need to provide additional guidance if this happens again somewhere else onsite.

Please let me know if you have any questions.

Thanks!

RFC 30

Location: _____

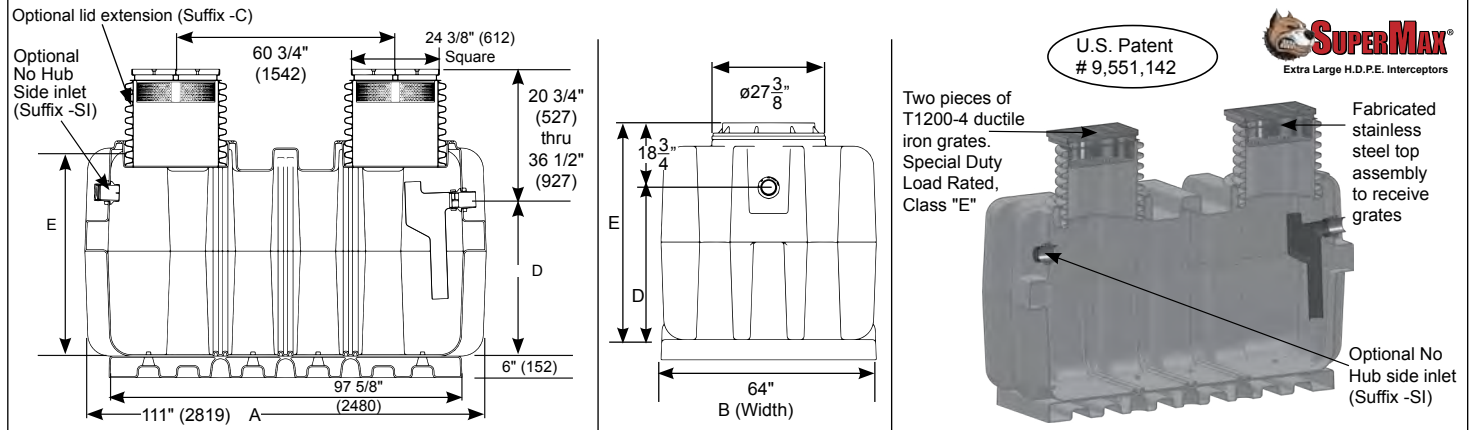

SUPER-OS

SUPERMAX® – GRAVITY OIL / SEDIMENT INTERCEPTOR
– 500 – 2,000 GALLONS LIQUID HOLDING CAPACITY

Specification: MIFAB® Series SUPER-OS- _____ (indicate model) gravity oil / sediment interceptor with liquid holding capacity of _____ (indicate), limited lifetime warranty and is made in the U.S.A. out of seamless, rotationally molded High Density Polyethylene with 3/8" uniform wall thickness. Interceptor is designed for below ground installation (the 2000 gallon model can only be installed below ground) and includes an adjustable top assembly system, sample port access, deep seal trap covered by "special duty" load rated (over 10,000 lbs.) ductile iron top inlet grates, sediment bucket (3/8" Dia. holes, 1/2" apart) within top assembly, internal air relief by-pass, sample port access, base for support and 4" no hub outlet connection. The high density polyethylene material is PE 3135 from Dow 9.39 with a density of 0.939 g/cm3.

Function: Oil / sediment interceptors are required anywhere oil and sediment may be introduced to the public sewer system in applications such as: repair garages, oil change stations, car wash facilities, parking garages and facilities where oil and flammable liquid waste are produced as a result of manufacturing, storage, maintenance, repair or testing processes. Sediment and debris are collected inside of the internal sediment bucket. Regular maintenance is required to keep the interceptor functioning. Interceptor to be installed flush with the floor. Standard SUPER-OS models are made with "special duty" load rated (over 10,000 lbs.) ductile iron top inlet grates. The optional -SI models are made with an 4" no hub inlet opposite the outlet. Maximum operating temperature: 150° F continuous.

Model	Liquid Holding Capacity (Gallons)	A	Width B	D Dim.	E Dim.	F Outlet Connection Size	Shipping Weight (Lbs.)
SUPER-500-OS	500 (1,890 litres)	111" (2820 mm)	64" (1630 mm)	24.25" (616 mm)	40 1/2" (1029 mm)	4" (102 mm)	1060

Question	Question from Roy Bruce Baron Construction, LLC on Monday, Mar 4, 2024 at 08:51 AM CST Tim, The spacing of the urinals in Men's Toilet B117 (see sheet A108) is shown as 2' - 3 7/8" inside to inside. The plumber is saying code is 30" spacing meaning we appear to need an additional 2 1/8" to meet code. This appears to be the only bathroom with this situation. Please confirm how we are to proceed in this area - is it acceptable to use the spacing shown for rough in? If not, what do we need to change?
Official Response	Response from Tim Lambe Lambe & Associates, LLC on Monday, Mar 4, 2024 at 10:28 AM CST Revise per attached sketch; we're fine on our fixture counts. Please issue an RFC for the credit. Attachments 030424 RFI-59 Response.pdf

Addms: N/A

We propose to furnish the following described materials required for this project, in accordance with the conditions of the Codes of Standard Practice of the Concrete Reinforcing Steel Institute and our Standard Conditions of Sale which are made a part hereof. Weights given are for informational purposes only. Pricing is for plain reinforcing bars ASTM A615 Grade 60, cut to length, bent, bundled and tagged including placing plans.

Base Bid Concrete: Approximately 0.7 tons. \$1,065.00 Plus Applicable Sales Tax.

EXCLUSIONS:

- 1) Bar supports for bottom layer of reinforcing on grade.
- 2) Bar supports for top bars in mats thicker than 4'-0".
- 3) Bar supports for walls, columns, sides of beams or any other vertical surface.
- 4) Bar supports for wire mesh on grade or metal deck.
- 5) Reinforcing and/or and related accessories for precast concrete.
- 6) Weldable grade A706 reinforcing and/or reinforcing welded to miscellaneous or structural steel.
- 7) Galvanized, stainless, MMFX or epoxy coated reinforcing steel.
- 8) Grade 75 reinforcing steel.
- 9) Dimensions on placing drawings other than those required by the CRSI Manual of Standard Practice.
- 10) Review of approval of placing plans by a registered PE.
- 11) Smooth dowels, basket assemblies and expansion caps.
- 12) Mechanical couplers or formsavers/dowel bar subs.
- 13) Metal tags (weather proof plastic tags included).
- 14) Unloading at jobsite, erection, or field labor of any kind.
- 15) Any reinforcing for site work, exterior utilities, drainage structures, or piling unless noted on quote.
- 16) Electrical Duct Encasements & Mechanical Pipe Encasements.
- 17) Post tension support and backup bars or bar supports for post tension.
- 18) Lifting inserts or any added reinforcing at lifting insert and/or embeds.
- 19) Exclude all reinforcing and accessories shown on drawings for pour strips expansion joints, or construction joints if location is not specifically shown on drawings.
- 20) All allowances are excluded, unless noted on quote.
- 21) Any added reinforcing at MEP sleeves, penetration, or openings unless located on structural drawings

TERMS AND CONDITIONS OF SALE

Any additional detailing caused by revisions and / or changes made by the contractor / owner will be billed @ \$85.00 per hour.

Prices quoted are firm for shipment thru _____ 10 days from date of quote

The price for rebar shipped after this date will increase/decrease based on mill stock price increase letters

The price for couplers, mesh and bar supports shipped after this date will increase 6% each 6 months, cumulative.

Add Sales Tax to prices shown if applicable.

The above prices are based on shipping (1) 40,000 lb truckload lots. Unloading not included

Two hour unloading time is allowed, and additional time will be charged at \$75.00/hour.

Additional deliveries will be charged @ \$150.00 / each

F.O.B. JOBSITE - TRUCK TO NEAREST PRACTICAL POINT ON JOBSITE

Seller must be notified within **5 days** of receipt of the products of any claims for shortages, errors in shipment or errors in charges. Failure to give such notice shall constitute unqualified acceptance and a waiver of all such claims by the Buyer.

Detailing and Shipment shall be based upon a mutually agreeable schedule.

TERMS: Net 30 days from date of invoice.

Prices quoted are for acceptance within 7 days from the date of quotation. After 7 days, the prices will be subject to renegotiation.

Buyer will allow seller 48 hours to fix and or replace any shortages, omissions, errors, without any costs or charges associated and assigned to Seller for the event.

Seller will not accept charges for material purchased or other work performed by Buyer to remedy errors or shortages unless Seller gives Buyer written approval. In the event, Seller will reimburse Buyer for all actual direct costs.

Any claim whatsoever that Buyer may have against Seller must be presented to the Seller within 45 days of the occurrence. Any claim against Seller submitted after that timeframe will not be accepted.

RE: La Vergne Public Works
1500 E Nir Shreibman Blvd.
La Vergne, TN

Dear Roy Bruce,

We appreciate the opportunity to provide the following quotation for the above referenced project. Our proposal is based upon the updated E101 drawing dated 9/19/23 provided by Baron Construction.

Added Overhead Door Power Total Sum: \$18,125.00

ITEMS INVOLVED:

15	motor starters
1	wire for above
15	connections
1	graybar

PROJECT MANAGER'S SPECIFICATIONS:

- All light fixtures located in a drop ceiling are to have a minimum of (2) wire per fixture installed by the ceiling contractor.
- The above total sum has been calculated and the time schedule agreed upon based upon the current prices and availability of materials and labor, considering anticipated impacts from the COVID-19 pandemic, and any governmental action, disruptions in the supply of labor or materials or other impacts related thereto and that A&S Electric has taken or will take all reasonable measures to protect against excessive price increases and delays, such as early purchasing of materials where appropriate and feasible. A&S Electric shall not be responsible for any additional cost associated with changes in the aforementioned conditions, as they are out of our control. A&S Electric shall advise the contractor when conditions change and impacts our contract price.

EXCLUSIONS:

1. EXCLUDE: The repair of existing code deficiencies (if any) is not included in the above total sum quotation.
2. EXCLUDE: Main Switchboard, Generator/ Transformer / electrical equipment pads.
3. EXCLUDE: Any Utility Charges.
4. EXCLUDE: Parking (to be provided by GC)
5. EXCLUDE: Concrete Encasement
6. EXCLUDE: Painting of any kind
7. EXCLUDE: Gravel (included for primary & secondary power only)
8. EXCLUDE: Rock Excavation
9. EXCLUDE: Furnishing big ass fans and controls
10. EXCLUDE: Work from C section to road SE corner shown on E101. (no information provided)
11. EXCLUDE: J hooks, phone/data/tv/camera parts, wiring, and/or terminations.
12. EXCLUDE: All Pads on site shown on site print.
13. EXCLUDE: F/A PIV Connection, Conduit, and/or Termination.
14. EXCLUDE: Fuel Tank Work
15. EXCLUDE: Wage work
16. EXCLUDE: Seismic
17. EXCLUDE: Background check
18. EXCLUDE: X-Ray of Floors
19. EXCLUDE: Pole bases.
20. EXCLUDE: Hauling off of spoils.
21. EXCLUDE: Backfill of any kind. (gravel backfill in primary included in above total sum)
22. EXCLUDE: Cutting of concrete / asphalt.
23. EXCLUDE: Forming / furnishing of concrete.
24. EXCLUDE: Patching of any kind. (concrete / asphalt/ walls / ceilings / roof / etc.)
25. EXCLUDE: Furnishing/Installation of any low voltage cabling. (unless add alt is taken)
26. EXCLUDE: Any type of bonds.
27. EXCLUDE: Dumpster Fees.
28. EXCLUDE: Engineered stamped drawings / BIM
29. EXCLUDE: Surveying.

TERMS AND CONDITIONS:

Our quotation is valid for thirty (30) days from date of receipt.

Upon acceptance of our quotation, the following terms and conditions will apply:

- Amounts billed will be due within thirty (30) days of invoice.
- Project will be billed on a percentage-of-completion basis.
- All work is to be completed during A & S Electric's normal working hours which are Monday through Friday, 7:00a.m. to 3:30p.m. unless agreed upon in writing.
- The handling or disposal of contaminated or hazardous material is not included in the above quotation.
- Seller shall not be responsible for any failure to perform, or delay in performance of, its obligations resulting from the COVID-19 pandemic or any future epidemic, and buyer shall not be entitled to any damages resulting thereof.

Thank you for considering A & S Electric Inc., for your electrical requirements. Please contact our office if you have any questions or comments concerning the above proposal.

Sincerely,

WE PROPOSE to furnish labor and material --- complete in accordance with above specifications, and subject to conditions found on both sides of this agreement, for the sum of:

Payment to be made as follows: _____

ACCEPTED. The above prices, specifications and conditions are satisfactory and are hereby accepted. You are authorized to do the work as specified.

Respectfully Submitted,

Payment will be made as outlined above.

Date of Acceptance _____

By _____

By _____

Project Manager

A & S ELECTRIC, INC.

By: Shaun Smith

Note: This proposal may be withdrawn by us if not accepted within 30 days.

Question	Question from Roy Bruce Baron Construction, LLC on Thursday, Mar 21, 2024 at 02:18 PM CDT Tyler, The electrical drawings do not show power/circuits for the overhead doors at Exterior Vehicle Bldg 1 (sheet E308). Can you please send over a drawing showing the design intent for this? Also, per previous email correspondence can we please get a revised drawing(s) for Area A showing the circuits for the two overhead doors at Loading Dock A108 area (sheet E302). Attachments RE_ La Vergne PW - Dock Levelers _ Electrical Clarification.pdf
Official Response	Response from Tyler Ball Harpeth Park Engineering PLLC on Wednesday, Apr 3, 2024 at 09:27 AM CDT See attached revised drawings concerning the overhead doors. Narrative of changes: E302 Added overhead door connection for Inventory Storage A107. Revised overhead door connection in Loading Dock A108 for clarification. Edited Keyed Note 16 for clarification. E303 Revised overhead door connection in I.T. Delivery/Storage B139 for clarification. E308 Added overhead door connections for the Exterior Vehicle and Equipment 1 X100 shed. E702 Revised panel schedules per overhead door connections. Attachments E302 (ESD #5).pdf, E702 (ESD #5).pdf, E303 (ESD #5).pdf, E308 (ESD #5).pdf

All Replies

Response from Roy Bruce Baron Construction, LLC on Monday, Apr 8, 2024 at 12:35 PM CDT

Updated drawings have been also been published in Procore drawings tool

Response from Tyler Ball Harpeth Park Engineering PLLC on Wednesday, Apr 3, 2024 at 09:27 AM CDT

See attached revised drawings concerning the overhead doors.

Narrative of changes:

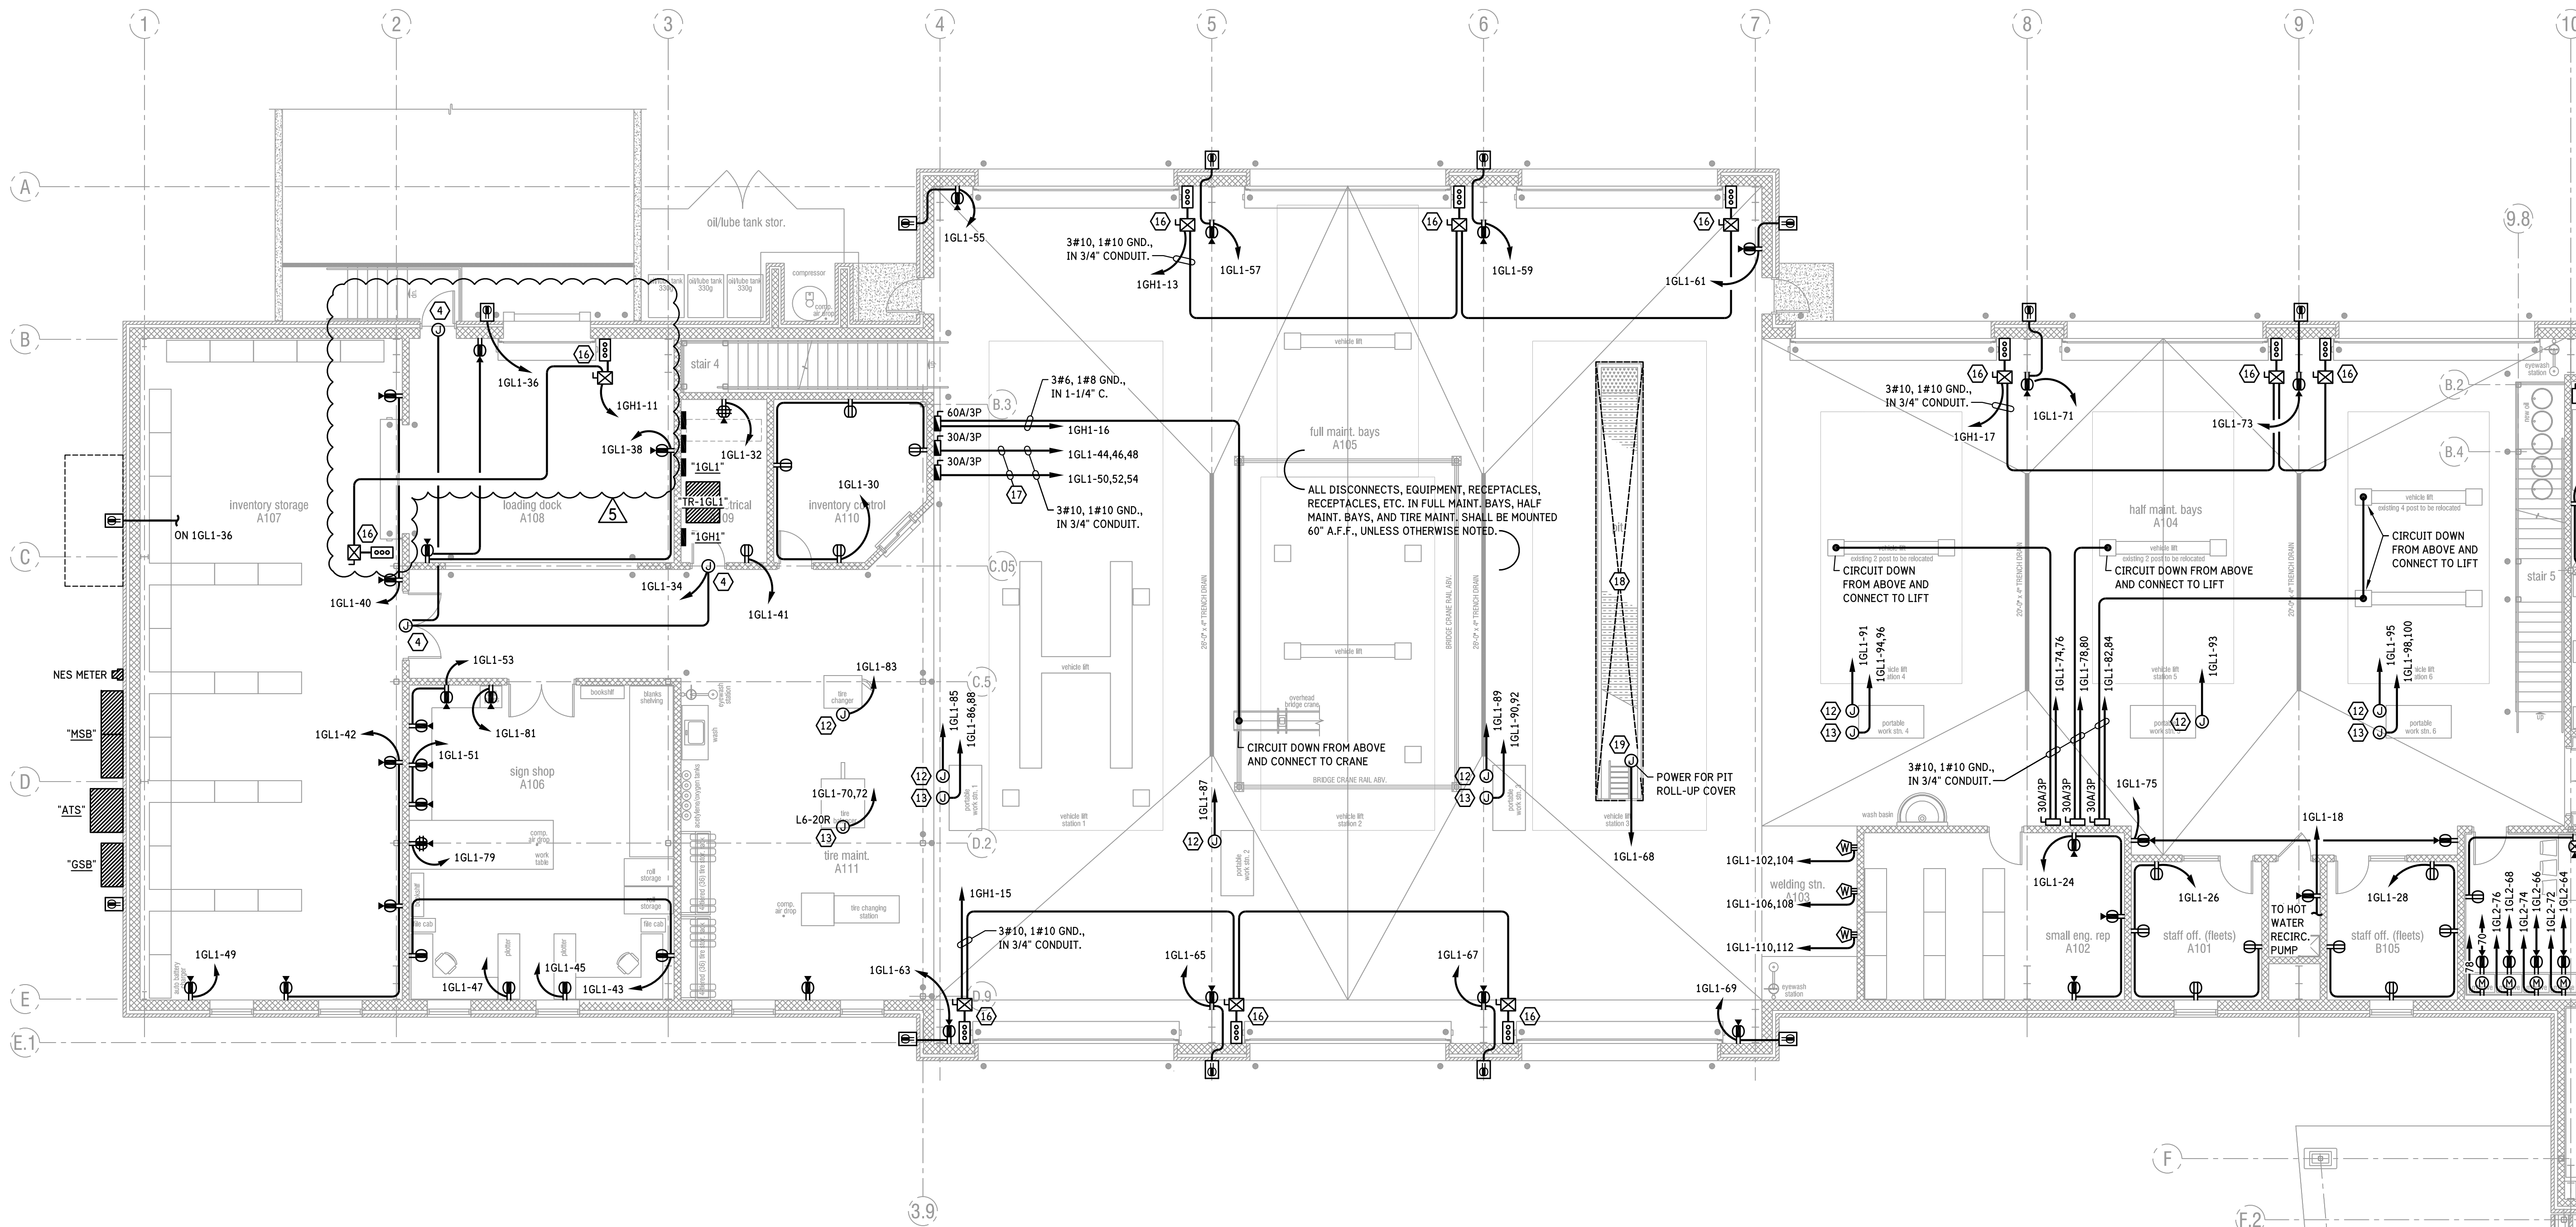

E302 Added overhead door connection for Inventory Storage A107. Revised overhead door connection in Loading Dock A108 for clarification. Edited Keyed Note 16 for clarification.

E303 Revised overhead door connection in I.T. Delivery/Storage B139 for clarification.

E308 Added overhead door connections for the Exterior Vehicle and Equipment 1 X100 shed.

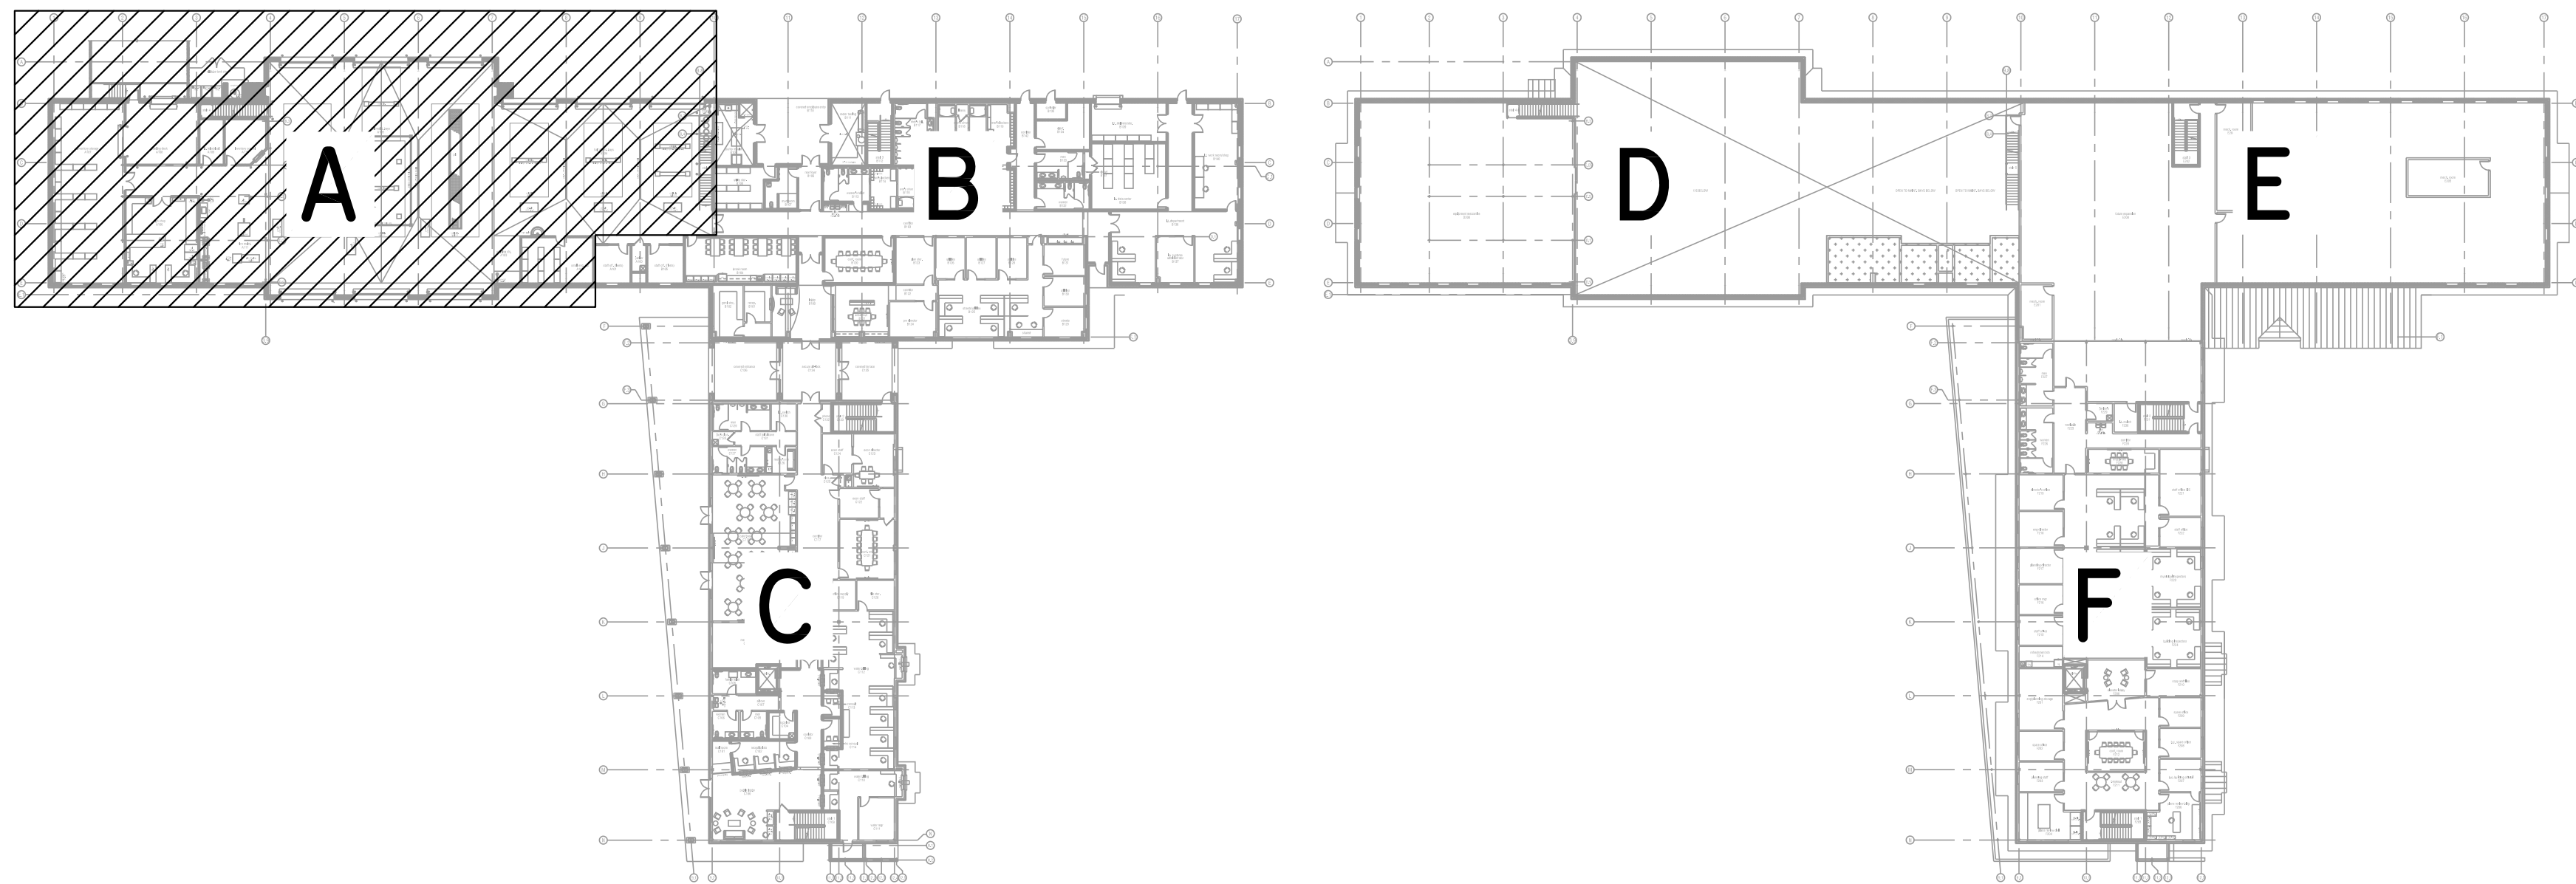

E702 Revised panel schedules per overhead door connections.

FIRST FLOOR PARTIAL FLOOR PLAN AREA 'A' - POWER

SCALE: 1/8" = 1'-0"

KEY PLAN

NO SCALE

GENERAL ELECTRICAL POWER NOTES (ALL POWER SHEETS):

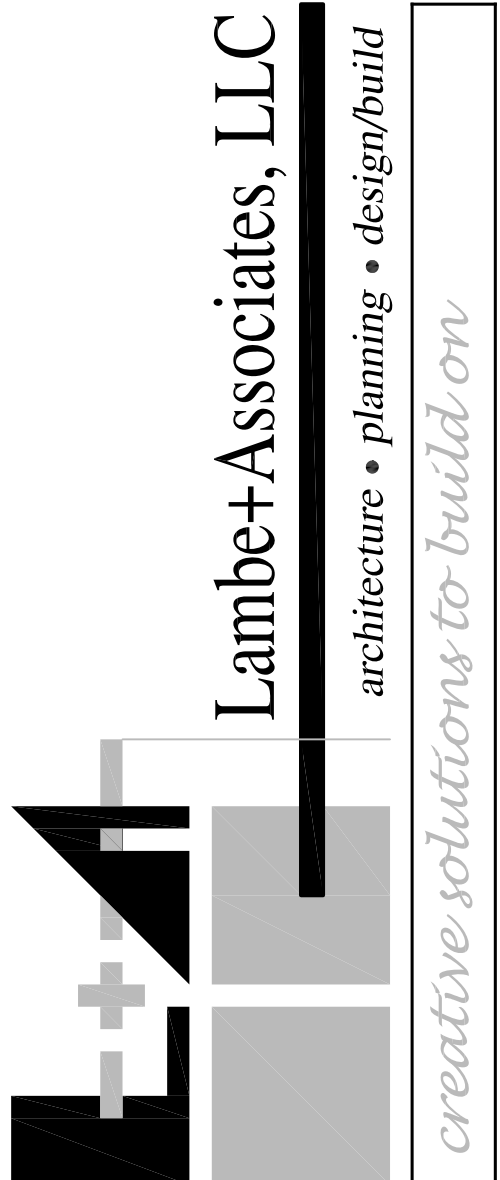

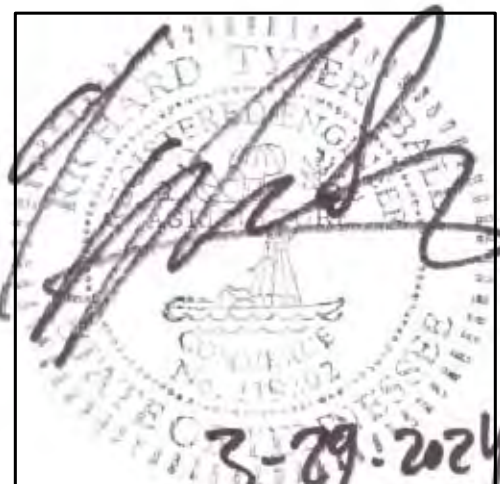

- COORDINATE ALL RECEPTACLE LOCATIONS WITH ARCHITECTURAL PLANS, ELEVATIONS, CASEWORK, AND EQUIPMENT LOCATIONS PRIOR TO ROUGH-IN.
- COORDINATE EXACT ELECTRICAL REQUIREMENTS, LOCATIONS, AND QUANTITIES OF ALL OWNER-FURNISHED EQUIPMENT, PRIOR TO ROUGH-IN.
 - ELECTRICAL REQUIREMENTS INCLUDE: VOLTAGE, PHASE, FREQUENCY, FULL LOAD AMPERES (FLA), MINIMUM CIRCUIT AMPS (MCA), MAXIMUM OVERCURRENT PROTECTION (MOCP), STARTERS, CONTROLS, ETC.
- ALL NEMA 5-15R AND 5-20R RECEPTACLES SHALL BE TAMPER-RESISTANT, UNLESS OTHERWISE NOTED.
- COORDINATE TO IDENTIFY ALL RATED WALLS, PRIOR TO ROUGH-IN. WHERE CONDUITS/FEDERS PENETRATE RATED WALLS, PROVIDE APPROPRIATE FIRES TOP AROUND OPENINGS AND BETWEEN JOINTS. REFER TO FIRES TOP DETAILS.
- FOR OUTLET BOXES IN A FIRE-RATED PARTITION, REFER TO DETAIL ON SHEET E001.
- ALL WIRE SHALL BE TYPE THHN/THWN-2 (COPPER), UNLESS OTHERWISE NOTED.
- MINIMUM WIRE AND CONDUIT SIZE SHALL BE #12 AWG. IN 3/4" CONDUIT, UNLESS OTHERWISE INDICATED.
- WHERE INDICATED, RECEPTACLE CIRCUIT DESIGNATIONS SHALL BE AS FOLLOWS: "X"-#
 - "X" INDICATES THE PANEL.
 - "#" INDICATES THE CIRCUIT NUMBER.
- WHERE THE LENGTH OF A 120-V CIRCUIT MEETS OR EXCEEDS THE INDICATED DISTANCE, PROVIDE THE CORRESPONDING WIRE SIZE FOR THE ENTIRETY OF THAT CIRCUIT (INCLUDING ALL BRANCHES OF CIRCUIT):
 - 70' OR GREATER, PROVIDE #10 CONDUCTORS.
 - 110' OR GREATER, PROVIDE #8 CONDUCTORS.
 - 170' OR GREATER, PROVIDE #6 CONDUCTORS.

WHERE THE LENGTH OF A 277-V CIRCUIT MEETS OR EXCEEDS 240 FT, PROVIDE #10 CONDUCTORS FOR ALL WIRING OF THAT CIRCUIT (INCLUDING ALL BRANCHES OF CIRCUIT).

- LABEL ALL DISCONNECTS, EQUIPMENT, RECEPTACLES, AND SWITCHES, INDICATING PANEL AND CIRCUIT # (FOR EXAMPLE: "A1-1").
- TAKE NEC TABLE 310.15(B)(3)(a) INTO ACCOUNT WHERE 4 OR MORE CURRENT-CARRYING CONDUCTORS OCCUPY THE SAME RACEWAY.
- ALL COVERPLATES IN OFFICE AND PUBLIC-ACCESSIBLE AREAS SHALL BE NYLON. ALL OTHER COVERPLATES SHALL BE STAINLESS STEEL. COORDINATE COVERPLATE AND WIRING DEVICE COLORS / FINISHES WITH ARCHITECT, PRIOR TO ORDER. PROVIDE STAINLESS STEEL COVERPLATES FOR ALL BACK-OF-HOUSE AREAS.

KEYED ELECTRICAL POWER NOTES (ALL POWER SHEETS):

- CONFIRM ELECTRICAL ROOM LAYOUT WITH ACTUAL EQUIPMENT DIMENSIONS, PRIOR TO ROUGH-IN. IF ACTUAL ELECTRICAL ROOM LAYOUT DIFFERS FROM THE DESIGN DOCUMENTS, PROVIDE DIMENSIONED ELECTRICAL ROOM LAYOUT SHOWING PANELBOARD, SWITCHBOARD, TRANSFORMER, AND EQUIPMENT LOCATIONS WITH DISTRIBUTION EQUIPMENT SUBMITTAL. ENSURE TO PROVIDE AND MAINTAIN NEC REQUIRED CLEARANCES.
- FOR ALL BREAK ROOM EQUIPMENT (INCLUDING COFFEE MAKERS, DISHWASHERS, MICROWAVES, REFRIGERATOR, ETC.), COORDINATE EXACT POWER REQUIREMENTS AND LOCATIONS, PRIOR TO ROUGH-IN.
- COORDINATE EXACT TV/MONITOR LOCATION AND MOUNTING HEIGHT WITH OWNER'S REPRESENTATIVE, PRIOR TO ROUGH-IN OF BOTH POWER AND DATA RECEPTACLES. PROVIDE (1) 3/4" CONDUIT FOR POWER, (1) 1/4" CONDUIT FOR DATA, AND (1) 1/2" CONDUIT FOR AV FROM BOX TO NEAREST ACCESSIBLE CEILING (OR TOP OF WALL IN EXPOSED/OPEN AREAS). SEE "TYPICAL TELEVISION INSTALLATION DETAIL" (SHEET E001) FOR REFERENCE.
- CONNECTION FOR ACCESS CONTROLS AND DOOR HARDWARE - PROVIDE SINGLE-GANG BACKBOX AND 3/4" CONDUIT UP TO NEAREST ACCESSIBLE CEILING. COORDINATE WITH ACCESS CONTROLS AND DOOR HARDWARE SETS FOR EXACT POWER AND CONNECTION REQUIREMENTS. CONFIRM IF HARDWARE SET REQUIRES BACKBOX IN WALL, OR IF THE CARD ACCESS, KEY ACCESS, OR OTHER IS INTEGRAL TO THE DOOR, PRIOR TO ROUGH-IN.
- COORDINATE EXACT MOUNTING HEIGHT OF CLOCK-IN STATIONS, PRIOR TO RECEPTACLE ROUGH-IN.
- PROVIDE WIREMOLD 4000 SERIES, 2-CHANNEL RACEWAY (OR EQUIVALENT SYSTEM BY HUBBELL), MOUNT CHANNEL BELOW LADDER RACK TO SERVE POWER FROM ABOVE DATA RACKS. ENSURE TO PROVIDE ALL ACCESSORIES TO PROVIDE COMPLETE SYSTEM, INSTALLED IN A WORKMANLIKE MANNER. COORDINATE EXACT MOUNTING LOCATION TO PROVIDE CHANNEL / RECEPTACLES ACCESSIBLE FROM THE BACK / TOP OF DATA RACKS.
- PROVIDE #10 CONDUCTORS FOR ALL DEDICATED QUAD. RECEPTACLE CIRCUITS IN 2-CHANNEL RACEWAY.
- RECESSED SERVICE FLOOR BOX (6-GANG) - INSTALL FLUSH TO FLOOR. PROVIDE WITH (2) DUPLEX RECEPTACLES, (2) LOW VOLTAGE PROVISIONS, AND (2) AV PROVISIONS. FLOOR BOX SHALL BE WIREMOLD EVOLUTION SERIES OR EQUIVALENT BY HUBBELL. PROVIDE FLUSH STYLE RECTANGULAR COVER WITH POWDER-COATED NICKEL FINISH AND INSTALL FLUSH TO FLOOR (CONFIRM COVER FINISH WITH ARCHITECT, PRIOR TO ORDER).
- RECESSED SERVICE FLOOR BOX (2-GANG) - INSTALL FLUSH TO FLOOR. PROVIDE WITH (1) DUPLEX RECEPTACLE AND (1) LOW VOLTAGE PROVISION. FLOOR BOX SHALL BE HUBBELL SystemOne RECEPTACLE OR EQUIVALENT BY HUBBELL. PROVIDE FLUSH STYLE RECTANGULAR COVER WITH POWDER-COATED NICKEL FINISH AND INSTALL FLUSH TO FLOOR (CONFIRM COVER FINISH WITH ARCHITECT, PRIOR TO ORDER).
- OVERHEAD DOOR - PROVIDE 30A/3P FUSED DISCONNECT SWITCH COMBINATION STARTER, NEMA 1 ENCLOSURE, NEMA SIZE 00 FVNR STARTER. HOMERUN SHALL BE 3#10, 1#10 GND., IN 3/4" CONDUIT (UNLESS OTHERWISE NOTED).
 - THE OVERHEAD DOORS ARE DESIGNED TO OPERATE AT 480-V, 3-PHASE. VERIFY VOLTAGE, PHASE, MCA, MOCP, STARTERS, CONTROLS, AND ALL OTHER ELECTRICAL REQUIREMENTS PRIOR TO PULLING WIRE.
 - PROVIDE DUAL-ELEMENT TIME-DELAY FUSES, SIZED PER DOOR HORSEPOWER. FOR EITHER 1/2-HP, 3/4-HP, OR 1-HP, PROVIDE 3-AMP FUSES. FOR EITHER 1.5-HP OR 2-HP, PROVIDE 6-AMP FUSES.
- RECESSED FIRE-RATED FLOOR BOX (2 DUPLEX + 3-GANG) - INSTALL FLUSH TO FLOOR. PROVIDE WITH (2) DUPLEX RECEPTACLES, (1) LOW VOLTAGE PROVISIONS, AND (2) AV PROVISIONS. FLOOR BOX SHALL BE WIREMOLD 6AT EVOLUTION POKE-THRU SERIES OR EQUIVALENT BY HUBBELL SystemOne SERIES. PROVIDE FLUSH STYLE ROUND COVER WITH POWDER-COATED NICKEL FINISH AND INSTALL FLUSH TO FLOOR (CONFIRM COVER FINISH WITH ARCHITECT, PRIOR TO ORDER).
- RECESSED FIRE-RATED FLOOR BOX (2 DUPLEX + 1-GANG) - INSTALL FLUSH TO FLOOR. PROVIDE WITH (2) DUPLEX RECEPTACLES AND (1) LOW VOLTAGE PROVISION. FLOOR BOX SHALL BE WIREMOLD 6AT EVOLUTION POKE-THRU SERIES OR EQUIVALENT BY HUBBELL SystemOne SERIES. PROVIDE FLUSH STYLE ROUND COVER WITH POWDER-COATED NICKEL FINISH AND INSTALL FLUSH TO FLOOR (CONFIRM COVER FINISH WITH ARCHITECT, PRIOR TO ORDER).
- PROVIDE INDUSTRIAL-GRADE CABLE REEL WITH TYPE SO CABLE, STRAIN-RELIEF GRIPS, AND QUAD. RECEPTACLE BOX. PROVIDE PASS & SEYMOUR 1200 SERIES CABLE REEL #CR12L123N_R20 (OR EQUAL SYSTEM BY APPROVED OTHER). VERIFY EXACT CORD REEL LENGTH AT EACH LOCATION, PRIOR TO ORDER. THE BOTTOM OF THE QUAD. RECEPTACLE BOX SHALL NOT BE LOWER THAN 60" A.F.F. ONCE FULLY EXTENDED FROM REEL.
- PROVIDE INDUSTRIAL-GRADE CABLE REEL WITH TYPE SO CABLE, STRAIN-RELIEF GRIPS, AND STEEL BOX FOR TWIST-LOCK RECEPTACLE. PROVIDE PASS & SEYMOUR 1400 SERIES CABLE REEL #CR14_103N_F25 (OR EQUAL SYSTEM BY APPROVED OTHER). VERIFY EXACT CORD REEL LENGTH AT EACH LOCATION, PRIOR TO ORDER. THE BOTTOM OF THE RECEPTACLE BOX SHALL NOT BE LOWER THAN 60" A.F.F. ONCE FULLY EXTENDED FROM REEL.
- 13.1. HOMERUN SHALL BE 3#10, 1#10 GND., IN 3/4" CONDUIT.
- 13.2. COORDINATE TWIST-LOCK RECEPTACLE TYPE WITH EQUIPMENT AND OWNER, PRIOR TO ROUGH-IN (UNLESS TYPE OTHERWISE INDICATED ON DRAWING).
- POWER FOR DRIVE-UP WINDOW - COORDINATE EXACT ELECTRICAL CONNECTIONS AND REQUIREMENTS WITH EQUIPMENT, PRIOR TO ROUGH-IN.
- POWER FOR OVERHEAD DOOR - COORDINATE EXACT LOCATION AND MOUNTING, PRIOR TO ROUGH-IN. COORDINATE EXACT POWER AND CONTROL REQUIREMENTS WITH DOCK LEVELER MANUFACTURER.
 - VERIFY VOLTAGE, PHASE, MCA, MOCP, AND ALL OTHER ELECTRICAL REQUIREMENTS PRIOR TO PULLING WIRE.
 - PROVIDE 30A/3P DISCONNECT. HOMERUN SHALL BE 3#10, 1#10 GND., IN 3/4" CONDUIT.
- FOR OVERHEAD DOOR CONTROLS, PROVIDE CONNECTION TO UP / DOWN / STOP CONTROL AND SAFETY SENSORS, AS REQUIRED.
- COORDINATE EXACT OVERHEAD DOOR CONTROL / DISCONNECT LOCATION, PRIOR TO ROUGH-IN.
- COORDINATE EXACT ELECTRICAL REQUIREMENTS AND CONNECTIONS FOR MOBILE COLUMN LIFTS WITH EQUIPMENT MANUFACTURER, PRIOR TO ROUGH-IN. MOUNT DISCONNECT AT 60" A.F.F. (BOTTOM). FEEDER SHALL BE 3#10, 1#10 GND., IN 3/4" C.
- THE PIT IS A CLASS I, DIVISION 1 LOCATION. REFER TO NEC ARTICLES 501 AND 511.
- ALL EQUIPMENT AND DEVICES USED IN CLASS I, DIVISION 1 LOCATIONS SHALL BE LISTED AS SUCH. ELECTRICAL EQUIPMENT (CABLE / CONDUIT FITTINGS, ETC.) NOT LISTED FOR USE IN CLASS I, DIV. 1 LOCATIONS ARE PROHIBITED.
- CONDUIT AND FITTINGS SHALL BE THREADED, WRENTIGHT, AND SHALL BE MADE UP WITH AT LEAST 5 THREADS FULLY ENGAGED PER NEC 500.8(E).
- CONDUIT SEALS SHALL BE INSTALLED WITHIN 18-INCHES FROM ENCLOSURE. ONLY LISTED COUPLINGS, ELBOWS, REDUCERS, AND/OR UNIONS MAY EXIST BETWEEN THE ENCLOSURE AND THE SEALING FITTING. FITTINGS SHALL BE LISTED AND ACCESSIBLE.
- PROVIDE SEALS IN EACH CONDUIT RUN LEAVING A CLASS I, DIVISION 1 LOCATION. THE SEALING FITTING SHALL BE PERMITTED TO BE ON EITHER SIDE OF THE CLASS I, DIVISION 1 BOUNDARY WITHIN 10-FEET.
- GROUNDING AND BONDING SHALL BE PROVIDED AS INDICATED IN NEC 501.30.
- COORDINATE EXACT ELECTRICAL REQUIREMENTS AND CONNECTIONS FOR PIT ROLL-UP COVER.
- PROVIDE 30A/2P NEMA 3R FUSED DISCONNECT FOR GRINDER PUMP. HOMERUN SHALL BE 3#10 (L1, L2, N), 1#10 GND., IN 1" CONDUIT. PROVIDE BUCK BOOST TRANSFORMER, MATCHING E ONE PUMP MODEL # / NAMEPLATE. CIRCUIT TO GRINDER PUMP ALARM PANEL. COORDINATE GRINDER PUMP RECEPTACLE NEMA CONFIGURATION FOR E ONE PUMP.
- COORDINATE EXACT WIRING FOR TRANSFORMER WITH BUCK BOOST TRANSFORMER MANUFACTURER. WIRE FOR 240 V, 1-PHASE FOR E ONE PUMP CONNECTION.
- COORDINATE EXACT LOCATION AND CONNECTION REQUIREMENTS FOR OVERHEAD CRANE, PRIOR TO ROUGH-IN. PROVIDE 30A/3P NEMA 3R FUSED DISCONNECT. HOMERUN SHALL BE 3#10, 1#10 GND., IN 3/4" C. VERIFY CRANE VOLTAGE, PHASE, MCA, MOCP, AND ALL OTHER ELECTRICAL REQUIREMENTS PRIOR TO PULLING WIRE.

Subject: RE: City of La Vergne Public Works & Community Development Services Facility: New RFI 61 (Overhead Door Power at Exterior Vehicle Bldg 1)

Roy,

If the overhead doors come with starters, start/stop switches, etc., then we will not need to provide an additional electrical equipment required for functionality.

Providing a disconnect in lieu of a combination motor starter is a perfectly acceptable solution where starters and controls are provided by the overhead door manufacturer.

No drawing change is required, as the drawings note for these items to be verified and coordinated for operation, prior to rough-in.

Subject: RE: City of La Vergne Public Works & Community Development Services Facility: New RFI 61 (Overhead Door Power at Exterior Vehicle Bldg 1)

Tyler,

I was discussing this with A&S and we may have a double up on the motor starters. The overhead doors have motor starters on them and the have start/stop switches so we aren't sure if additional motor starters are needed per these revisions. If we could change to disconnects and circuits to feed them we would have a much lower cost for these changes.

Could you take a look at this for us please? I'd really like to minimize the cost impact as much as possible

Thank you,
Roy

Subject: RE: City of La Vergne Public Works & Community Development Services Facility: New RFI 61 (Overhead Door Power at Exterior Vehicle Bldg 1)

Roy,

See attached revised drawings concerning the overhead doors.

Narrative of changes:

- E302 Added overhead door connection for Inventory Storage A107.
Revised overhead door connection in Loading Dock A108 for clarification.
Edited Keyed Note 16 for clarification.
- E303 Revised overhead door connection in I.T. Delivery/Storage B139 for clarification.
- E308 Added overhead door connections for the Exterior Vehicle and Equipment 1 X100 shed.
- E702 Revised panel schedules per overhead door connections.

Thanks,

La Vergne, TN

Dear Roy Bruce,

We appreciate the opportunity to provide the following quotation for the above referenced project. Our proposal is based upon the updated E101 drawing dated 9/19/23 provided by Baron Construction.

Site Revision Total Sum: \$42,453.25 — *Revised*

ITEMS INVOLVED:

15	motor starters
1	wire for above
15	connections
15	start stop switches
1	conduit for sensors
1	graybar

*NO] → in Overhead doors.
Confirm w/ Tyler Ball*

PROJECT MANAGER'S SPECIFICATIONS:

- All light fixtures located in a drop ceiling are to have a minimum of (2) wire per fixture installed by the ceiling contractor.
- The above total sum has been calculated and the time schedule agreed upon based upon the current prices and availability of materials and labor, considering anticipated impacts from the COVID-19 pandemic, and any governmental action, disruptions in the supply of labor or materials or other impacts related thereto and that A&S Electric has taken or will take all reasonable measures to protect against excessive price increases and delays, such as early purchasing of materials where appropriate and feasible. A&S Electric shall not be responsible for any additional cost associated with changes in the aforementioned conditions, as they are out of our control. A&S Electric shall advise the contractor when conditions change and impacts our contract price.

WE PROPOSE to furnish labor and material --- complete in accordance with above specifications, and subject to conditions found on both sides of this agreement, for the sum of:

Payment to be made as follows: _____

ACCEPTED. The above prices, specifications and conditions are satisfactory and are hereby accepted. You are authorized to do the work as specified.

Respectfully Submitted,

Payment will be made as outlined above.

Roy,

While reviewing the footing I noticed that we need to adjust the thickened slab supporting the stair CMU walls. These are two story CMU walls and support the stair landing. Please see the attached. Please let me know if you have any questions.

Thanks,

Dave

ITEM REPORT
Board of Mayor and Aldermen
Meeting Date: June 27, 2024

Item #: 8.D. Approve Memorandum of Understanding with Motlow State Community College for Advanced Emergency Medical Technician Training.

Department: Fire

Presented By: Ronny Beasley

Item Attachments: 1. MOU with Motlow State Community College

Summary:

The Fire Department requests approval of the Memorandum of Understanding with Motlow State Community College for Advanced Emergency Medical Technician training.

Background Information:

The Fire Department requests approval of the Memorandum of Understanding with Motlow State Community College. Motlow State Community College will provide medical training for ten fire personnel. This course is budgeted in Line 148, Employee Education and Training.

Financial Summary:

The cost of the training is \$15,000.

Staff Recommendation:

Staff recommends approval.

MEMORANDUM OF UNDERSTANDING ("MOU") FOR NON-CREDIT INSTRUCTION

This MOU serves as authorization for Motlow State Community College (MSCC) to provide and bill the City of La Vergne, on behalf La Vergne Fire Department, (LFD) located at 283 Old Nashville Hwy, La Vergne, TN 37086 for the following:

Program Title(s): Advance Emergency Medical Technician

Description: Training consists of 200 hours of class time.

Instructor(s): To be provided by Motlow State Community College

Date(s) and Time: Class Dates are August 28, 2024 through Dec 6th, 2024; 8:00am-4:30pm

Location: La Vergne Fire Department

CEU'S per Participant: 10

Number of Participants: Not to exceed 24

Program Fee: \$15,000

Motlow State Community College will provide all instructional materials.

LFD agrees to make payment for services rendered within 30 days of receipt of an invoice. Payments not received within thirty days of receipt of invoice will be delinquent and subject to collection in accordance with Tennessee Board of Regents and MSCC policies and guidelines, including referral to a collection agency. LFD agrees to pay all collection costs incurred by MSCC.

MSCC and LFD agree that no person shall be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of this MOU or in the employment practices of MSCC or LFD on the grounds of disability, age, race, color, religion, sex, national origin, veteran status or any other classification protected by applicable federal or Tennessee law. MSCC and LFD shall comply with all applicable federal and Tennessee law.

It is the policy of the LFD not to discriminate on the basis of age, race, sex, color, national origin, or disability in its hiring and employment practices, or in admission to, access to, or operation of its programs, services, and activities. With regard to all aspects of this agreement, MSCC certifies it will comply with this policy.

MSCC acknowledges that the LFD is a federal government contractor. Therefore, in carrying out its obligations under MOU, MSCC shall specifically acknowledge and agree as follows:

- (1) The LFD and MSCC shall abide by the requirements of 41 CFR 60-1.4(a). This regulation prohibits discrimination against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin, and requires federal government contractors and subcontractors to take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin.
- (2) The LFD and MSCC shall abide by the requirements of 41 CFR 60-300.5(a). This regulation prohibits discrimination against qualified protected veterans and requires affirmative action by covered prime contractors and subcontractors to employ and advance in employment qualified protected veterans.
- (3) The LFD and MSCC shall abide by the requirements of 41 CFR 60-741.5(a). This regulation prohibits discrimination against qualified individuals on the basis of disability and requires affirmative action by covered prime contractors and subcontractors to employ and advance in employment qualified individuals with disabilities.

ITEM REPORT
Board of Mayor and Aldermen
Meeting Date: June 27, 2024

Item #: 8.E. Approve Paving of the Parks & Recreation Building Drives and Parking.

Department: Parks & Recreation

Presented By: David McGowen

Item Attachments: 1. Park and Rec Office

Summary:

This is a proposal to topcoat the existing parking and drive areas at the parks building with asphalt.

Background Information:

This is a proposal from Hawkins Paving to topcoat the drive and parking areas at the parks building. Hawkins Asphalt Paving, LLC has the city contract for asphalt paving.

Financial Summary:

The proposed cost for the paving is \$73,102.87. This is a budget item and will be paid out of the current parks budget.

Staff Recommendation:

Staff recommends approval.

PROPOSAL

P.O. Box 292 · 6013 Highway 64 E
Wartrace, TN 37183
(931) 389-9671

Organization: Lavergne Parks and Rec Proposal Submitted: Andrew Stophel Phone: 615-971-4086 Date: 6/10/24
Street: _____ Job Name: Lavergne Parks and Rec Office
City, State and Zip Code: _____ Job Location: Lavergne
Estimator: Nolen Spencer Date of Plans: No Plans TDOT BBMI \$628.64

We agree to furnish all Labor, Equipment and Materials to complete the following work:

ASPHALT PAVEMENT

Dig-Outs:

- Remove failed areas and haul off spoils (140 sq yds)
- Install stone base as needed and compact (140 sq yds)
- Lay an average of 2.5" of asphalt binder and compact (140 sq yds)

Asphalt Overlay:

- Mill areas to ensure smooth transition
- Clean existing asphalt
- Apply SS1H tack coat if needed
- Lay an average of 1 ½" of asphalt topping and compact (3,150 sq yds)

■ Cost ----- \$73,102.87

NOTE:

- No grade staking or blue topping included in price
- No Striping included in quote
- If there is an overrun of materials due to circumstances beyond Hawkins Asphalt Paving, LLC control unit prices will be added for any amount of overrun used (Improper grades, additional areas, build areas up, etc.)
- No landscaping, seeding, or sodding included in quote(s)
- No clean up from another contractor's work is included in quote(s)
- Hawkins Asphalt is not liable for damages due to construction traffic
- No pipe bollard(s) included in this quote
- No signs included in quote(s)

- Due to the flat grades on this project, small water pockets may be visible
- Hawkins Asphalt Paving, LLC is not responsible for damages to new asphalt pavement which may result from settlement of poor sub grade conditions due to sub grade being prepared by another contractor (or if utility trenches under asphalt pavement are not backfilled and compacted properly)
- Price(s) includes one (1) mobilization for paving crew; any additional mobilizations required, for reasons beyond Hawkins Asphalt Paving, LLC control, shall be at a rate of \$5,000.00/each
- Hawkins Asphalt Paving, LLC will make every effort to perform work in a timely manner, but is not responsible for loss of business
- Areas where asphalt must be worked by hand versus mechanical equipment may have a different textured surface
- Hawkins Asphalt Paving, LLC is not responsible for any form of the following: asphalt cracking, water pockets, erosion control, or drainage problems
- Hawkins Asphalt Paving, LLC is not responsible for any form of asphalt settlement, underground utility damage, or vegetation growth
- Quote does not include any work that is not specifically stated in this proposal
- The above prices are based upon monthly TDOT BBMI prices. If the bituminous material index increases or decreases 5% more or less Hawkins asphalt will adjust accordingly, we also reserve the right to review and amend the base bid to recover any fuel or materials product increases over 10% from original base bid

If accepted, please sign and return the original copy for scheduling

Payment is due upon job completion. Failure to pay **promptly** will result in interest charges accrued at the rate of 1.5% for each thirty days or portion thereof that bill remains unpaid beginning no later than ten days following completion of job.

All material is guaranteed to be as specified for a period of one (1) year from the original date of completion. All work to be completed in a work-man like manner according to standard practices. Any alteration or deviation from above specifications involving extra cost (mass rock excavation, consequential damages resulting from underground utilities, excavation of unsuitable sub-grade material, underground aquifers, etc) will be executed only upon written orders, and will become an extra charge over and above the estimate. All agreements contingent upon strikes, accidents or delays beyond our control. Owner to carry fire, tornado and other necessary insurance. Our workers are fully covered by the Workmen's Compensation Insurance.

Note: This proposal may be withdrawn by us if not accepted within 30 days.

Acceptance Proposal – The above prices, specifications and conditions are satisfactory and are hereby accepted. You are authorized to do the work specified. Payment will be made as outlined above. In the event that default is made in payment of the amount due to Hawkins Asphalt Paving, LLC pursuant to this agreement, I agree to pay all costs of collections, including attorney's fees reasonably incurred, which in no event shall be less than 35% of the amount due. Any action, suit, or proceeding at law or in equity shall not be had or maintained under this contract unless same be commenced within one year from date of substantial completion of this job.

Meeting Date: June 27, 2024

Item #: 8.F. Approve Rehab of Veterans Memorial Park Walking Trail.

Department: Parks & Recreation

Presented By: David McGowen

Item Attachments: 1. Walking Trail

Summary:

Rehab the Walking Trail at Veterans Memorial Park

Background Information:

This is a proposal from Hawkins Paving to rehab the walking trail at Veterans Memorial Park. The walking trail has deteriorated with age - this is a proposal to topcoat the existing trail with asphalt. Hawkins Asphalt Paving,LLC has the city contract for asphalt paving.

Financial Summary:

The proposed cost for renovations is \$115,297.10. This is a budget item and will be paid out of the Parks Capital Projects Fund.

Staff Recommendation:

Staff recommends approval.

ITEM REPORT
Board of Mayor and Aldermen
Meeting Date: June 27, 2024

Item #: 8.G. Authorize the Mayor to Execute a Subdivision Participation and Release Form to Participate in the Kroger Opioid Settlement.

Department: City Attorney

Presented By: Evan Cope

Item Attachments: 1. Subdivision Participation and Release Form - Kroger National Opioid Settlement

Summary:

This will allow the City to join the State of Tennessee and other Local Governments to participate in the recently proposed Kroger opioid settlement.

Background Information:

The City has joined the State of Tennessee and other Local Governments to participate in national settlements with several opioid manufacturers, distributors and retailers. There is a new proposed settlement with Kroger and these documents need to be signed and returned in order for the City to participate.

Financial Summary:

The amount of funds the City could receive from this settlement are unknown at this time. There are restrictions on the use of these funds, but the general concept is to use them for opioid abatement. This can be a reimbursement for previous costs or used for future needs.

Staff Recommendation:

Staff recommends approval.

New National Opioids Settlement: Kroger
Opioids Implementation Administrator
opioidsparticipation@rubris.com

La Vergne city, TN
Reference Number: CL-796965

TO LOCAL POLITICAL SUBDIVISIONS:

THIS PACKAGE CONTAINS DOCUMENTATION TO PARTICIPATE IN THE NEW NATIONAL OPIOIDS SETTLEMENT. YOU MUST TAKE ACTION IN ORDER TO PARTICIPATE.

Deadline: August 12, 2024

A new proposed national opioids settlement ("*New National Opioids Settlement*") has been reached with Kroger ("*Settling Defendant*"). This *Participation Package* is a follow-up communication to the *Notice of National Opioids Settlement* recently received electronically by your subdivision.

You are receiving this *Participation Package* because Tennessee is participating in the Kroger settlement.

This electronic envelope contains:

- The *Participation Form* for the Kroger settlement, including a release of any claims.
- *Form for Proposed Amendments* to the Tennessee State-Subdivision Opioid Abatement Agreement.

The *Participation Form* must be executed, without alteration, and submitted on or before August 12, 2024, in order for your subdivision to be considered for initial participation calculations and payment eligibility.

There are two proposed amendments to the State-Subdivision Agreement: (1) extending the agreement to this new settlement; and (2) clarifying that no additional changes are needed when a settlement uses the subdivision allocation list in the Janssen Settlement's Exhibit G or another prior opioid settlement. You will be asked to *Approve* or *Not Approve* each amendment separately. The current State-Subdivision Agreement and an explanation of the amendments are posted on the Attorney General website: [Opiod Settlements \(tn.gov\)](https://opiodsettlements.tn.gov).

Based upon subdivision participation forms received on or before August 12, 2024, the subdivision participation rate will be used to determine whether participation is sufficient for the settlement to move forward and whether a state earns its maximum potential payment under the settlement. If the settlement moves forward, your release will become effective. If a settlement does not move forward, that release will not become effective.

Any subdivision that does not participate cannot directly share in the settlement funds, even if the subdivision's state is settling and other participating subdivisions are sharing in settlement funds. Any subdivision that does not participate may also reduce the amount of money for programs to remediate the opioid crisis in its state. Please note, a subdivision will not necessarily directly receive settlement funds by participating; decisions on how settlement funds will be allocated within a state are subject to intrastate agreements or state statutes.

You are encouraged to discuss the terms and benefits of the *New National Opioids Settlement* with your counsel, your Attorney General's Office, and other contacts within your state. Many states are implementing and allocating funds for this new settlement the same as they did for the prior opioids settlements with McKesson, Cardinal, Cencora (formerly AmerisourceBergen), J&J/Janssen, Teva, Allergan, CVS, Walgreens, and Walmart, but states may choose to treat this settlement differently.

Information and documents regarding the *New National Opioids Settlement* and how it is being implemented in your state and how funds will be allocated within your state can be found on the national settlement website at <https://nationalopioidsettlement.com/>. This website will be supplemented as additional documents are created.

How to return signed forms:

There are three methods for returning the executed *Participation Form* and any supporting documentation to the Implementation Administrator:

- (1) *Electronic Signature via DocuSign*: Executing the *Participation Form* electronically through DocuSign will return the signed form to the Implementation Administrator and associate your form with your subdivision's records. Electronic signature is the most efficient method for returning the *Participation Form*, allowing for more timely participation and the potential to meet higher settlement payment thresholds, and is therefore strongly encouraged.
- (2) *Manual Signature returned via DocuSign*: DocuSign allows forms to be downloaded, signed manually, then uploaded to DocuSign and returned automatically to the Implementation Administrator. Please be sure to complete all fields. As with electronic signature, returning a manually signed *Participation Form* via DocuSign will associate your signed forms with your subdivision's records.
- (3) *Manual Signature returned via electronic mail*: If your subdivision is unable to return an executed *Participation Form* using DocuSign, the signed *Participation Form* may be returned via electronic mail to opioidsparticipation@rubris.com. Please include the name, state, and reference ID of your subdivision in the body of the email and use the subject line "Settlement Participation Form - [Subdivision Name, Subdivision State] - [Reference ID]".

Detailed instructions on how to sign and return the *Participation Form*, including changing the authorized signer, can be found at <https://nationalopioidsettlement.com>. You may also contact opioidsparticipation@rubris.com.

The sign-on period for subdivisions ends on August 12, 2024.

If you have any questions about executing the *Participation Form*, please contact your counsel, the Implementation Administrator at opioidsparticipation@rubris.com, or Daniel Lynch at the Tennessee Attorney General's Office at Daniel.Lynch@ag.tn.gov.

Thank you,

New National Opioids Settlement Implementation Administrator

The Implementation Administrator is retained to provide the settlement notice required by the New National Opioids Settlement and to manage the collection of the Participation Form.

The governmental entity identified above (“*Governmental Entity*”), in order to obtain and in consideration for the benefits provided to the Governmental Entity pursuant to the Settlement Agreement dated March 22, 2024 (“*Kroger Settlement*”), and acting through the undersigned authorized official, hereby elects to participate in the Kroger Settlement, release all Released Claims against all Released Entities, and agrees as follows.

1. The Governmental Entity is aware of and has reviewed the Kroger Settlement, understands that all terms in this Participation and Release Form have the meanings defined therein, and agrees that by executing this Participation and Release Form, the Governmental Entity elects to participate in the Kroger Settlement and become a Participating Subdivision as provided therein.
2. The Governmental Entity shall promptly, and in any event no later than 14 days after the Reference Date and prior to the filing of the Consent Judgment, dismiss with prejudice any Released Claims that it has filed. With respect to any Released Claims pending in *In re National Prescription Opiate Litigation*, MDL No. 2804, the Governmental Entity authorizes the Plaintiffs’ Executive Committee to execute and file on behalf of the Governmental Entity a Stipulation of Dismissal with Prejudice substantially in the form found at <https://nationalopioidsettlement.com/>.
3. The Governmental Entity agrees to the terms of the Kroger Settlement pertaining to Participating Subdivisions as defined therein.
4. By agreeing to the terms of the Kroger Settlement and becoming a Releasor, the Governmental Entity is entitled to the benefits provided therein, including, if applicable, monetary payments beginning after the Effective Date.
5. The Governmental Entity agrees to use any monies it receives through the Kroger Settlement solely for the purposes provided therein.
6. The Governmental Entity submits to the jurisdiction of the court in the Governmental Entity’s state where the Consent Judgment is filed for purposes limited to that court’s role as provided in, and for resolving disputes to the extent provided in, the Kroger Settlement. The Governmental Entity likewise agrees to arbitrate before the National

Arbitration Panel as provided in, and for resolving disputes to the extent otherwise provided in, the Kroger Settlement.

7. The Governmental Entity has the right to enforce the Kroger Settlement as provided therein.
8. The Governmental Entity, as a Participating Subdivision, hereby becomes a Releasor for all purposes in the Kroger Settlement, including without limitation all provisions of Section XI (Release), and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in their official capacity elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Governmental Entity hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the Kroger Settlement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of the Governmental Entity to release claims. The Kroger Settlement shall be a complete bar to any Released Claim.
9. The Governmental Entity hereby takes on all rights and obligations of a Participating Subdivision as set forth in the Kroger Settlement.
10. In connection with the releases provided for in the Kroger Settlement, each Governmental Entity expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

General Release; extent. A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the Kroger Settlement.

11. Nothing herein is intended to modify in any way the terms of the Kroger Settlement, to which Governmental Entity hereby agrees. To the extent this Participation and Release Form is interpreted differently from the Kroger Settlement in any respect, the Kroger Settlement controls.

I have all necessary power and authorization to execute this Participation and Release Form on behalf of the Governmental Entity.

Tennessee State-Subdivision Opioid Abatement Agreement – 2024 Amendments

The Tennessee State-Subdivision Opioid Abatement Agreement, initially amended in 2023 with three amendments, is further amended as follows:

Amendment 4:

Pursuant to Section IV.A, this Agreement shall apply to the following Statewide Opioid Settlement Agreements, should it become effective:

A. Kroger Settlement Agreement

☒ Approve Amendment [] Do Not Approve Amendment 4

Amendment 5:

To clarify that when a future settlement adopts the subdivision allocation in Exhibit G from the J&J/Janssen Settlement Agreement or another prior settlement there is no need to make additional adjustments pursuant to Section III.E.2, the following sentence shall apply as if it were added to the end of footnote 5 on page 4 of the agreement:

Additionally, should a future settlement adopt, as a default provision, the subdivision allocation list in Exhibit G from the J&J/Janssen Settlement Agreement or another prior opioid settlement agreement, then such list of Tennessee subdivisions shall be the default subdivision allocation list for that future settlement, and there is no need to make additional adjustments pursuant to Section III.E.2.

☒ Approve Amendment [] Do Not Approve Amendment 5

Note on adoption of amendments:

Amendment 4 shall be effective if approved as set forth in Section IV.B.2 of the Agreement. Amendment 5 shall be effective if approved as set forth in Section VII.D of the Agreement.

ITEM REPORT
Board of Mayor and Aldermen
Meeting Date: June 27, 2024

Item #: 8.H. Approve Contract with the Regional Transportation Authority for the Provision of Commuter Bus Service between Nashville/Davidson County and the City of La Vergne.

Department: City Administrator

Presented By: Bruce Richardson

Item Attachments: 1. Contract - RTA - FY 2024-25

Summary:

This is the annual contract with the RTA for the bus service that goes through La Vergne between Nashville and Smyrna.

Background Information:

This is the annual contract for La Vergne's share of the costs for the regional bus service through La Vergne. There are no changes from previous years.

Financial Summary:

La Vergne's share of the costs is \$9,000. This has been budgeted for FY 2024-2025.

Staff Recommendation:

Staff recommends approval.

RTA's primary goal is to reduce the amount of weekday traffic along heavily populated Middle TN corridors. In doing so, this can benefit the local population with improvements in the air quality. Because of your continuing support of the Regional Transportation Services (RTA) in Middle Tennessee, we can continue growing our transportation services that will help us make a difference long term.

That being said, the time has come to renew the annual Commuter Bus Service contract for the **86X Smyrna-LaVergne Express** service for FY25 (July 1, 2024 to June 30, 2025).

I have attached the following documents for your review:

- Cover letter
- The proposed FY25 service contract
- The proposed FY25 service budget
- The invoice for your FY25 subsidy support of \$9,000
- The route schedule with map
- The invoice for your FY25 dues of \$3,872

Once you have approved the bus service contract, please sign and return it to me by email. An electronic copy of the fully executed contract will be returned to you by email once our CEO signs it.

Feel free to contact me if you have any questions.

Regards,

Jeff Burysek | RTA Grants & Special Projects Administrator

**CONTRACT NO. 2011203-C
BETWEEN
REGIONAL TRANSPORTATION AUTHORITY
AND
CITY OF LAVERGNE**

This Contract, entered into on the 1st Day of July, 2024, by and between the Regional Transportation Authority, located at 430 Myatt Drive, Nashville TN 37115, (hereinafter "RTA"), and the City of LaVergne, located at 5093 Murfreesboro Road, LaVergne, TN 37086, (hereinafter "the City"). This contract is for the provision of Commuter Bus Service (hereinafter "Service(s)") between Nashville/Davidson County and the City of LaVergne.

The RTA was established pursuant to statutory law enacted by the Tennessee General Assembly, T.C.A. 64-8-101 et seq.

A. SCOPE OF SERVICES

The RTA shall provide Service between Nashville/Davidson County, and City of LaVergne, Tennessee. The City shall have no obligation for Services rendered by the RTA which are not performed within the specified period or between the specified route terminus.

B. TERM

The Contract term start date shall be July 1, 2024; the Contract end date shall be June 30, 2025.

C. PAYMENT

In consideration for RTA's provision of Services, the City shall provide RTA the amount of seventeen thousand eight hundred four dollars (\$17,804.00 service total less \$8,804.00 from reserves equals \$9,000.00 payment due).

The RTA shall invoice the City for its route subsidy share as stated above and shown in Attachments 1 & 2. RTA will send the City a lump sum invoice in the amount of \$9,000.00 to be paid directly to RTA. The amount represents the full amount owed to RTA by the City.

The City shall send payment to RTA, 430 Myatt Drive, Nashville, TN 37115, ATTN: Accounting Department.

D. STANDARD TERMS AND CONDITIONS

1. Neither RTA nor the City are bound by this Contract until it is executed by the parties.
2. This Contract may be modified only by a written amendment executed by all parties hereto.
3. The RTA may terminate this Contract and the Service obligations if adequate Grant Funds are not available to continue the Service. In the event of termination, the City shall receive a share of any of their route subsidy that remains. The reimbursement will be determined by dividing the \$17,804.00 by 12 and multiplying that amount by the number of months the City did not receive Service.
4. The RTA warrants that no person shall be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of this Contract or in the employment practices of the RTA on the grounds of handicap and/or disability, age, race, color, religion, sex, national origin, or any other classification protected by Federal, Tennessee State constitutional, or statutory law. The RTA shall, upon request, show proof of such nondiscrimination and shall post in conspicuous places, available to all employees and applicants, notices of nondiscrimination.
5. The RTA warrants that no part of the Contract amount shall be paid directly or indirectly to an employee or official of City as wages, compensation, or gifts in exchange for acting as an officer, agent, employee, or consultant to the RTA in connection with any work contemplated or performed relative to this Contract.
6. This Contract shall be governed by and construed in accordance with the laws of the State of Tennessee.
7. As part of the RTA yearly audit, a full audit of this project will be conducted by an outside auditing firm and made available to the City. All financial records will be consistent with internal accounting procedures.

IN WITNESS WHEREOF, as of the date written above, the parties have caused this Contract to be signed by their duly authorized representatives.

DUES

\$3,872.00

TOTAL DUE BY SEPTEMBER 1, 2024

**Payable to: Regional Transportation Authority (RTA)
430 Myatt Drive Nashville, TN 37115**

Thank you so much for your support of the RTA. This invoice is for your Annual Membership Dues. Dues are calculated at a rate of \$0.10 per capita or \$500.00, whichever is greater. This is based on the population figures of the latest certified population of Tennessee incorporated municipalities and certified population of Tennessee counties as reported by the Department of Economic and Community Development on June 6, 2022. Please contact Jeff Burysek at (615) 862-8869 or jeffery.burysek@nashville.gov should you have any questions.

ITEM REPORT
Board of Mayor and Aldermen
Meeting Date: June 27, 2024

Item #: 8.I. Approve Amendment #2 to the Agreement for Engineering Services with CTI Engineers, Inc. for the Waldron Road Sewer Assessment Zone Project.

Department: Engineering

Presented By: Gary Lide, Kyle Brown

Item Attachments: 1. Amendment #2

Summary:

This is an amendment to the agreement for engineering services that the city has with CTI Engineers for the Waldron Road Sewer Assessment Zone Project.

Background Information:

The original agreement with CTI was approved by the Board of Mayor and Aldermen in August 2021. This project consists of providing engineering services to provide for the future growth in the drainage basin along South Waldron Road near the intersection of Blair Road. This project will determine the proper pump station sizing, wet well capacity, interceptor and force main routes and sizing. This project also forms the basis for an assessment zone to pay for these sewer improvements for the future developments in that will be in that area. A memo from John Gahring is attached that explains the needed changes.

Financial Summary:

This amendment proposes an additional \$33,900 for design phase services and \$7,500 for their cost-plus services for permitting for a total of an additional \$41,400.

Staff Recommendation:

Staff recommends approval.

VIA E-MAIL

June 24, 2024

Mr. Bruce Richardson
City Administrator
City of La Vergne, Tennessee
5093 Murfreesboro Road
La Vergne, TN 37086

Subject: City of La Vergne, Tennessee
Waldron Road Sewer Assessment Zone
CTI Project N21003

Dear Mr. Richardson:

Recent changes to the peaking factors used to develop the peak capacity flows for the subject project as the result of the recent growth in development within the city. This growth has necessitated the study of smaller collector sewers and has indicated peaking factors less than those recommended by the Tennessee Department of Environment and Conservation. Additionally, changes to the off-site sewer will require corrections to the construction drawings.

At these lesser peaking factors, a reduction in the size and construction type of the lift station has the potential of reducing the total construction cost for this project.

However, the redesign and preparation of construction documents will require additional design and permitting fees.

Enclosed for consideration by the City of La Vergne is a signed copy of our proposed Amendment No. 2 to our Agreement for Engineering Services. The amendment proposes an additional \$33,900.00 for our Design Phase Services; \$7,500.00 to our cost-plus services for permitting; for a total of an additional \$41,400.00 to the total fee.

Page 2
June 24, 2024
Mr. Bruce Richardson

If this amendment is acceptable to the City of La Vergne, please sign and date. Please return a copy for my files.

If you have any comments or questions, please do not hesitate to call.

Sincerely,

John W. Gahring, Jr., PE, BCEE

**AMENDMENT NO. 2
AGREEMENT FOR ENGINEERING SERVICES**

WHEREAS, the City of La Vergne, Tennessee (CLIENT) and Consolidated Technologies, Inc., dba CTI Engineers, Inc. (CTI) entered into an Agreement dated August 7, 2021, and amended July 10, 2023, to perform certain professional services in connection with the Waldron Road Sewer Assessment Zone (hereinafter referred to as the project); and

WHEREAS, subconsultant services have required professional engineering services beyond the amount anticipated in the original Agreement; and

WHEREAS, The CLIENT and CTI recognize the need to provide fees for Additional Services Requiring Authorization in Advance.

NOW, THEREFORE, CLIENT and CTI do hereby agree as follows:

1) The Schedule of Fees included in the amended agreement shall be amended to include the following amended Schedule of Fees:

2)

Service	Fee Basis	Amendment 1 Fee	Amendment 2 Fee
Design Phase Services	Lump Sum	\$ 212,750	\$ 246,650
Bidding Phase Services	Lump Sum	7,500	7,500
Construction Phase Services	Lump Sum	73,200	73,200
Surveys, Permits, and Easements	Cost Plus	60,000	67,500
Developer Coordination	Cost Plus	15,000	15,000
Assessment Zone Recommendations	Cost Plus	<u>7,500</u>	<u>\$7,500</u>
TOTAL FEE		\$375,950	\$417,350

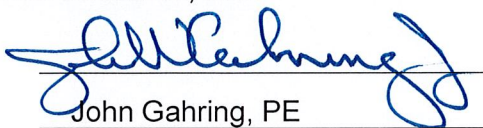

3) All other portions of the original Agreement shall remain in force.

IN WITNESS WHEREOF, both parties have caused this Amendment No. 2 to be executed by their duly authorized representatives.

ITEM REPORT
Board of Mayor and Aldermen
Meeting Date: June 27, 2024

Item #: 9. First Reading - **Ordinance #2024-12** - An Ordinance Adopting and Enacting a Codification and Revision of the Ordinances of the City of La Vergne, Tennessee; Providing for the Repeal of Certain Ordinances not Included Therein; Providing a Penalty for the Violation Thereof; Providing for the Manner of Amending such Code; and Providing When such Code and this Ordinance Shall Become Effective.

Department: City Administrator

Presented By: Bruce Richardson

Item Attachments: 1. Ordinance #2024-12

Summary:

This is an ordinance that will adopt and put in place the new City of La Vergne Municipal Code that has been published online by CivicPlus / Municode.

Background Information:

In the FY 2023-2024 budget, funds were approved to allow the city to use CivicPlus / Municode for the publication and hosting of the La Vergne Municipal Code. The new municipal code is now online and ready to be adopted. This ordinance adopts and enacts the municipal code, provides penalties for the violation of the municipal code, provides for the manner of amending the code and provides when the code becomes effective.

Financial Summary:

N/A

Staff Recommendation:

Staff recommends approval.

ORDINANCE #2024-12

AN ORDINANCE ADOPTING AND ENACTING A CODIFICATION AND REVISION OF THE ORDINANCES OF THE CITY OF LA VERGNE, TENNESSEE; PROVIDING FOR THE REPEAL OF CERTAIN ORDINANCES NOT INCLUDED THEREIN; PROVIDING A PENALTY FOR THE VIOLATION THEREOF; PROVIDING FOR THE MANNER OF AMENDING SUCH CODE; AND PROVIDING WHEN SUCH CODE AND THIS ORDINANCE SHALL BECOME EFFECTIVE.

BE IT ORDAINED by the Board of Mayor and Aldermen of the City of La Vergne, Tennessee that:

- SECTION 1.** The Code entitled La Vergne Municipal Code (the, "Code"), published by CivicPlus, consisting of Chapters 1 through 20, each inclusive, is adopted.
- SECTION 2.** All ordinances of a general and permanent nature enacted on or before the Effective Date, and not included in the Code or recognized and continued in force by reference therein, are repealed.
- SECTION 3.** The repeal provided for in Section 2 hereof shall not be construed to revive any ordinance or part thereof that has been repealed by a subsequent ordinance that is repealed by this ordinance.
- SECTION 4.** The repeal provided for in Section 2 of this ordinance shall not affect: Any offense or act committed or done, or any penalty or forfeiture incurred, or any contract or right established or accruing before the Effective Date; any ordinance or resolution promising or requiring the payment of money by or to the city or authorizing the issuance of any bonds or other evidence of said city's indebtedness; any appropriation ordinance or ordinance providing for the levy of taxes or any budget ordinance; any contract or obligation assumed by or in favor of said city; any ordinance establishing a social security system or providing coverage under that system; any administrative ordinances or resolutions not in conflict or inconsistent with the provisions of the Code; the portion of any ordinance not in conflict with the Code which regulates speed, direction of travel, passing, stopping, yielding, standing, or parking on any specifically named public street or way; any right or franchise granted by the city; any ordinance dedicating, naming, establishing, locating, relocating, opening, paving, widening, vacating, etc., any street or public way; any ordinance establishing and prescribing the grade of any street; any ordinance providing for local improvements and special assessments therefor; any ordinance dedicating or accepting any plat or subdivision; any prosecution, suit, or other proceeding pending or any judgment rendered on or prior to

the Effective Date of the Code; any zoning ordinance or amendment thereto or amendment to the zoning map; nor shall such repeal affect any ordinance annexing territory to the city.

SECTION 5. Unless another penalty is expressly provided, every person convicted of a violation of any provision of the Code or any ordinance, rule or regulation adopted or issued in pursuance thereof shall be punished by a fine not exceeding \$50.00, except that a higher amount may be imposed where permitted by state law. Each act of violation and each day upon which any such violation shall occur shall constitute a separate offense. The penalty provided by this section, unless another penalty is expressly provided, shall apply to the amendment of any Code section, whether or not such penalty is reenacted in the amendatory ordinance. In addition to the penalty prescribed above, the city may pursue other remedies such as abatement of nuisances, injunctive relief and revocation of licenses or permits.

SECTION 6. Additions or amendments to the Code when passed in such form as to indicate the intention of the board of mayor and aldermen to make the same a part of the Code shall be deemed to be incorporated in the Code, so that reference to the Code includes the additions and amendments.

SECTION 7. Ordinances adopted after the Effective Date, that amend or refer to ordinances that have been codified in the Code shall be construed as if they amend or refer to like provisions of the Code.

SECTION 8. Insofar as the provisions of the Code are the same as those of ordinances existing and in force on its Effective Date, said provisions shall be considered to be continuations thereof and not as new enactments.

SECTION 9. Each section, subsection, paragraph, sentence, and clause of the Code, including the codes and ordinances adopted by reference, is hereby declared to be separable and severable. The invalidity of any section, subsection, paragraph, sentence, or clause in the Code shall not affect the validity of any other portion of the Code, and only any portion declared to be invalid by a court of competent jurisdiction shall be deleted therefrom.

SECTION 10. Where any provision of the Code is in conflict with any other provision in the Code, the provision which establishes the higher standard for the promotion and protection of the public health, safety, and welfare shall prevail.

SECTION 11. **BE IT FURTHER ORDAINED** by the board of mayor and aldermen that this ordinance shall become effective after its final passage (the,

"Effective Date"), in accordance with the Charter of the City of La Vergne, the public welfare requiring it.

ATTEST:

Bruce E. Richardson, City Recorder

Published in the Murfreesboro Post on _____.

ITEM REPORT
Board of Mayor and Aldermen
Meeting Date: June 27, 2024

Item #: 10. **Resolution #2024-18** - A Resolution of the City of La Vergne Board of Mayor and Aldermen to Declare Property Owned by the City to be Surplus to the City's Needs and Directing Disposal of the Same.

Department: City Administrator

Presented By: Bruce Richardson

Item Attachments: 1. Resolution #2024-18

Summary:

This is a resolution to declare property as surplus property and to declare disposal of the same.

Background Information:

In this resolution, we have two vehicles from the Police Department that have been seized and awarded to the city to be disposed of.

The Police Department also has 101 weapons that have been awarded to the City. A list of these weapons is attached. The City typically trades seized weapons for new weapons, accessories or ammunition for the department. We cannot auction the weapons on GovDeals because we can only sell or trade them to a licensed firearms dealer.

We also have a scrap metal bin at the Public Works building that needs to be sold for scrap.

Financial Summary:

It is unknown at this time how much revenue the City will receive for the vehicles and scrap metal. It is also unknown how much the city will receive in store credit from the trade of the weapons.

Staff Recommendation:

Staff recommends approval.

RESOLUTION #2024-18

A RESOLUTION OF THE CITY OF LA VERGNE BOARD OF MAYOR AND ALDERMEN TO DECLARE PROPERTY OWNED BY THE CITY TO BE SURPLUS TO THE CITY'S NEEDS AND DIRECTING DISPOSAL OF THE SAME.

WHEREAS, the City of La Vergne has identified various items of city-owned property as being surplus to the needs of the city and has determined it to be in the public interest to offer them for sale or destruction.

NOW, THEREFORE, BE IT RESOLVED BY THE LA VERGNE BOARD OF MAYOR AND ALDERMEN, AS FOLLOWS:

Section 1. Property declared surplus to the needs of the city government. The following described property is hereby declared to be of low value and surplus to the needs of the city.

<u>Item</u>	<u>Description</u>	<u>VIN / Serial Number</u>
Police Department		
1998 Honda Accord	Dark Green 4-door Sedan; 269,094 miles; 2.0L, 4 cyl engine; automatic transmission; Starts and runs with a boost; Driver door panel has crack; Windshield is cracked, left rear quarter panel dent, paint is faded; Seized vehicle for drugs. Awarded to the city for disposition.	1HGCG5659WA044236
2004 Ford Explorer Sport Trac	Forest Green 4-door SUV/Truck; 251,560 miles; 4.0L V-6 Engine; automatic transmission; Starts and runs with a boost; Door seals are torn, headliner is torn, rear part of console is missing; Cracked windows, scratches and dings, paint is faded, gas door is broken (replacement in bed), right rear wheel well is cracked, power windows not working, windshield is cracked, sun roof is taped up. Seized vehicle for drugs. Awarded to city for disposition.	1FMZU67K14UA98357

Section 2. City Administrator directed to dispose of surplus property. In compliance with Section 11.05 of the City of La Vergne Purchasing Policy (Ordinance #2023-01), the City is hereby directed to conduct a public auction for the sale of the surplus items enumerated in Section 1 of this Resolution. If said auction does not result in an acceptable bid, the City Administrator is authorized to sell any unsold items of surplus property for scrap, or at his option, have the items disposed of as solid waste.

Section 3. Property declared surplus to the needs of the city government. The following described property is hereby declared to be of low value and surplus to the needs of the city.

<u>Item</u>	<u>Description</u>	<u>VIN / Serial Number</u>
Police Department		
1 Lot of Seized Weapons	Seized and awarded weapons. (See attached list.)	N/A

Section 4. City Administrator directed to dispose of surplus property. In compliance with Section 11.05 of the City of La Vergne Purchasing Policy (Ordinance #2023-01), the City Administrator is hereby authorized to allow the items enumerated in Section 3 of this Resolution to be traded to a licensed gun dealer as a credit toward a future purchase of weapons and/or accessories needed by the Police Department.

Section 5. Property declared surplus to the needs of the city government. The following described property is hereby declared to be of low value and surplus to the needs of the city.

<u>Item</u>	<u>Description</u>	<u>VIN / Serial Number</u>
Public Works		
Scrap Metal	Contents of metal dumpster used to collect miscellaneous scrap metal found on the sides or roads as well as old signs and posts.	N/A

Section 6. City Administrator directed to dispose of surplus property. In compliance with Section 11.05 of the City of La Vergne Purchasing Policy (Ordinance #2023-01), the City Administrator is hereby authorized to allow the items enumerated in Section 5 of this Resolution to be sold for scrap.

Section 7. Effective Date. This Resolution take effect immediately after its passage, the welfare of the City requiring it.

Resolved this the 2nd day of July, 2024.

CITY OF LA VERGNE, TENNESSEE

Jason Cole, Mayor

ITEM REPORT
Board of Mayor and Aldermen
Meeting Date: June 27, 2024

Item #: 11. **Resolution #2024-19** - A Resolution to Write Off Uncollectible Property Tax Accounts.

Department: Finance

Presented By: Danielle Brown

Item Attachments: 1. Resolution #2024-19

Summary:

This is a resolution to write off uncollectible property tax accounts from 2012 that have been dismissed by the Rutherford County Chancery Court.

Background Information:

Property taxes are only collectible for 10 years after they have been sent to Chancery Court for collection. If the taxes are not paid within that amount of time, the judge will dismiss them. At that point, the city needs to write them off as uncollectible and we can no longer try to collect on them in the future. This is something we do each year.

Financial Summary:

The total amount of property taxes that will be written off is \$12,404.00.

Staff Recommendation:

Staff recommends approval.

RESOLUTION #2024-19

A RESOLUTION TO WRITE OFF UNCOLLECTIBLE PROPERTY TAX ACCOUNTS.

WHEREAS, The City of La Vergne Tax Department has property tax accounts that are past due and are now uncollectible; and

WHEREAS, the property tax accounts in Exhibit "A" were submitted to the Rutherford County Chancery Court, and the Court has been unable to collect these accounts; and

WHEREAS, the property tax accounts in Exhibit "A" were dismissed by the Rutherford County Chancery Court on April 16, 2024, making them uncollectible; and

WHEREAS, the City of La Vergne is unable to collect the amount due and needs to write off these bad debts that total \$12,404.00.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY OF LA VERGNE BOARD OF MAYOR AND ALDERMEN:

SECTION 1: That the property tax accounts shown in Exhibit "A" be written off as bad debts.

SECTION 2: That this resolution shall take effect from and after its passage, the welfare of The City of La Vergne requiring it.

Resolved this the 2nd day of July, 2024.

Jason Cole, Mayor

ATTEST:

Bruce E. Richardson, City Recorder

Exhibit A

IN THE CHANCERY COURT FOR RUTHERFORD COUNTY, TENNESSEE

**CITY OF LAVERGNE, A Municipal
Corporation in Rutherford County,
Tennessee**

vs.

CASE NO. 24CV-686

**VARIOUS DELINQUENT TAXPAYERS
OF LAVERGNE, TENNESSEE**

ORDER OF DISMISSAL

It appearing to the Court that all assessments for taxes, interest and penalties, and court costs due and owing in relation to the various parcels of real property found in LaVergne, Tennessee and described in attached Exhibit "A", should be dismissed pursuant to T.C.A. § 67-5-1806; and that further prosecution of any cause of action as to these parcels of real property listed in the attached exhibit which have been assessed for delinquent taxes, including interest and penalties, is hereby unwarranted;

It is, therefore, **ACCORDINGLY ORDERED** that the above-styled cause be and the same is hereby **DISMISSED**, pursuant to T.C.A. § 67-5-1806, as to all the various parcels of property listed herein and as against all the defendants named in the attached Exhibit "A".

ITEM REPORT
Board of Mayor and Aldermen
Meeting Date: June 27, 2024

Item #: 12. Motion to Approve an Agreement with Box 55 Association for Rehabilitation Services for La Vergne Fire and Police.

Department: Fire

Presented By: Ronny Beasley

Item Attachments: 1. La Vergne MOU 6-11-24

Summary:

Seeking approval for an annual agreement with Box 55 Association to provide rehabilitation services for the Fire and Police Department on emergency scenes and call outs.

Background Information:

The fire department is requesting approval of the agreement with Box 55. Box 55 will provide the necessary items for hydration, nutrition, and comfort during emergency events in the City. Box 55 Association will be available upon request through the Incident Commander or La Vergne Police Dispatch.

Financial Summary:

The cost of the service is \$18,000.

Staff Recommendation:

Staff recommends approval.

Memorandum Of Understanding for First Responder Rehabilitation Services
Between
La Vergne Fire Rescue Department & La Vergne Police Department
And
Box 55 Association

Section 1.0 Purpose & Background

- 1.1 The La Vergne Fire Rescue Department and La Vergne Police Department located in Rutherford County, TN, desire to provide on scene rehabilitation Services to its members while engaged in various assigned duties.
- 1.2 Box 55 Association is a 501 (c) (3) Nonprofit registered in the State of TN and is experienced in providing rehabilitation services since 1952. Our base area of service is Nashville/Davidson County.

Section 2.0 Scope

- 2.1 This agreement covers the entities named above and no other unless amended in writing by mutual agreement.
- 2.2 The Rehab Services provided are by volunteers who are members of Box 55 Association, who have been vetted and background checked. Box 55 Association will work diligently to recruit, train and retain Team members who live in or near to La Vergne. The served departments have approval authority as to those added members.

Section 3.0 Service required

- 3.1 Fire, EMS and Police Operations and Training is strenuous and can be dangerous without proper opportunity for adequate re-hydration, nutrition and environmental protection during periods of rest and recovery. These services include bottled water, Gatorade, nutritious metabolic snacks. An area with seating, protection from adverse weather conditions and environmental cooling and heating assistance.

Section 4.0 Request for Services

- 4.1 The Chief of the La Vergne Fire Rescue Department or La Vergne Police Department or their Designees will determine when the services of Box 55 Association are needed. The request for service shall be made by Contacting the Metro Nashville ECC by phone or radio and the request for Box 55 will be paged out to the Officers of Box 55. Box 55 will endeavor to respond timely and communicate directly with the requesting authority of its ability and time to respond.
- 4.2 The Lavergne Agencies will provide access and radio programming for no less than 3 mobiles and 8 Portable radios capable of communicating on the La Vergne Public Safety talk groups for both served groups of Fire and Police.
- 4.3 Box 55 Association requests to meet with both Fire and Police leaders to determine operational Specific plans and to establish relationships with Supervisory staff in order to reduce confusion or delays in services.

Section 5.0 Mutual Aid Understanding

5.1 Box 55 Association is a founding member of the Middle TN Rehab Alliance. This alliance is currently represented by Wilson, Williamson, Sumner, Maury Counties. If a major event occurs, Box 55 Association may request assistance from one of the Alliance Members in order to cover needed areas.

Section 6.0 Fees for Services

6.1 La Vergne has estimated its call volume at 2 or 3 calls/month. Based on that estimate, Box 55 is requesting an annual contribution of \$18,000. This payment may be paid annually in advance. Annual reviews for reimbursement change needs will coincide with the City of La Vergne Budget cycle.

Section 7.0 Operational Direction

7.1 At all times, Box 55 Association will take direction from the scene commanders of the La Vergne Fire Rescue Department/La Vergne Police Department. This includes locations for services provided and the scope of requested services. The parties agree to meet at least quarterly to discuss operations, procedures and to endeavor to constantly improve outcomes.

Section 8.0 Termination

8.1 Either party may terminate this agreement without cause upon 30 days written notice.

Section 9.0 Mutual Indemnification

9.1 Each party hereto shall hold harmless, defend and indemnify the other party, and its agents, officers, officials, employees and volunteers, from and against any and all claims, demands, losses, damages, liabilities, expenses and costs of any kind or nature, including, without limitation, attorney's fees and other costs of litigation, arising out of, or in connection with, the negligent performance of, or failure to comply with, any of the obligations contained herein, except such loss or damage which was caused by the negligence or willful misconduct of the other party or its agents, officers, officials, employees or volunteers.

Agreed to this 1st day of July, 2024

Mayor Jason Cole
City of La Vergne

Rick Short
Board President
